Comments
Please use this column space to provide explanations, definitions, limitations, or other contextual information pertinent to data
r reads use and comming space to provide explanations, definitions, infinitations, of other contextual information petitine in the contextual information petitine in contextual information pe
collection, reporting, and mapping. In particular, if the state is not collecting any given data fields or categories, please provide
explanations. If the State is not collecting or reporting data for a subset of the population, also provide explanations. If the
State has concrete plans to collect or report them in the future, indicate an approximate date that the State plans to begin
submission of the data fields/categories for all or the subset of the population. If the State is collecting optional data fields but
opted not to report, cite reasons.
opted not to report, one reasons.

Reporting Item/	Doguected Information
Data Element	Requested Information
Client Duplication	Please specify areas and magnitude of possible client duplication. If none, please insert 'NA'
Admission	Describe the State definition or concept of "admission".
Discharge	Describe the State definition of "discharge"
Administrative Discharges	Describe the State policy. If none, please describe the operational definition used in this reporting.
Access to State Hospital Data	Describe how the State access state hospital data (e.g., cite if the State has direct access to the state hospital data base, the State has to request data, the State receives periodic snapshot of state hospital data base, etc.)
Reporting of children's data	Describe how children's data are integrated in this reporting (e.g., cite if the State has integrated database for adults and children; children system IT actively participates in all CMHS/CSAT trainings for this reporting; etc.)
Data collection or update policy /practice/ schedule	Specify the policy, frequency. and types of data regularly collected/updated by the State
Reporting exclusion	Describe reporting exclusions or underreporting of clients, facilities, providers, and/or service types/settings. (e.g. Clients under managed care although under the auspices of the State are not included in this reporting). If none, please insert 'NA'
Other general comments not covered elsewhere	
	The data elements specified below require the State to provide expla
	Cite if non-PHI ID was created for TEDS/MH-TEDS use only, or if State is using the existing non-PHI State ID
Client ID	Describe the method used in creating the non-PHI ID, if non-PHI ID was created for TEDS/MH-TEDS use only
	Other State footnotes
Pare	If the 1997 OMB guideline has not been adopted or fully implemented, describe the State data collection protocol for collecting race. Highlight deviation from OMB Guidelines (e.g. i.e., state is using different race categories, is not using a self-identification method, or allows a client to select more than one race category). If the State has adopted OMB guidelines, please insert 'NA'

uvar.=	
INACE	Describe the State Plan towards building capacity to adopt OMB Guidelines
	Other State footnotes
	If the 1997 OMB guideline has not been adopted or fully implemented, describe the State data collection protocol for collecting ethnicity. Highlight deviation from OMB Guidelines. If the State has adopted OMB guidelines, please insert 'NA'
Ethnicity	Describe the State Plan towards building capacity to adopt OMB Guidelines
	Other State footnotes
	Cite State definition for SMI.
	Cite State definition for SED.
SMI/SED Status (optional for SU- TEDS)	If Code 3 (At Risk for SED) is used, cite the State definition of At Risk for SED
,	Describe al populations served by the state, e.g. SPMI only, SMI and SPMI only, all persons with mental illness, etc.
	Other State footnotes
	Cite State's operational definition for employment, unemployment, and Not in the Labor Force
Employment	Specify if the State collects employment status for 16 and 17 year old clients
	Other State footnotes
Co-Occurring Mental and Substance Use Disorders	Is the method of determining whether a client has co-occurring mental and SU disorders the same across the state or varies by individual providers? If the method is statewide, describe the method (e.g., diagnosis and screening questionnaire conducted to all clients at time of admission)
	Other State footnotes:
Number of Arrests in Prior 30 Days	Describe the source of data or how the data are collected (e.g., criminal justice agencies, semi-annual assessment of clients by the provider/at the facility, clients are asked "have you been arrested in the past 30 days?" etc.)
	Other State footnotes:
School Attendance/ Education	Describe the source of data or how the data are collected (e.g., based on semi-annual assessment of clients, clients are asked "has your child been attending school in the past 3 months?" etc.)
	Other State footnotes:
Mental Health	If not completely explained in Part 1, describe how the State collects diagnosis (Do you limit the number of diagnoses? To how many? Do you have it as administrative data? How often is it updated? Do you use the claims data for diagnosis?)
Diagnosis (optional for SU)	Explain specifying the code, code description, and the corresponding disease standard classification if codes that do not map to the selected disease standard classification.
	Other State footnotes

Substance Use	If not completely explained in Part 1, describe how the State collects diagnosis (Do you limit the number of diagnoses? To how many? Do you have it as administrative data? How often is it updated? Do you use the claims data for diagnosis?)
,	Other State footnotes
GAF/CGAS Score (optional for both SU and MH)	Cite if State is using alternate tool for functioning and specify the instrument used.
	Other State footnotes
Other Data Element:	Specify:
