Your Medicare Part D Explanation of Benefits (EOB)

This is your "Explanation of Benefits" (EOB) for your Medicare prescription drug coverage (Part D). Your EOB shows the prescriptions you filled, what we paid, what you and others have paid, and what counts towards your out-of-pocket costs and your total drug costs.

- **Your EOB is not a bill.**
If you paid a co-pay or coinsurance for your drug, the EOB should show the amount you paid.
- **You may not get an EOB every month.**
When we get a claim (bill) from your pharmacy, you'll get an EOB the next month. For example, if we get a claim in March, you'll get an EOB in April.
- **Take a minute to look over your EOB.**
Check your EOB to make sure everything is correct. If you have questions, find mistakes, or suspect fraud, we're happy to help. Call us at the number below.

CHART 4

Changes to our Drug List that affect drugs you take

We may make changes to our Drug List during the year, like adding new drugs; removing drugs; changing coverage restrictions; or moving drugs from one cost-sharing tier to another. **The information below provides updates that affect plan-covered prescriptions you filled in 2022.**

Zocor, 40 mg tabs

Generic replacement

Beginning June 1, 2022, the brand-name drug Zocor will be removed from our Drug List. We will add a new generic version of Zocor to the Drug List (it is called Simvastatin).

Understanding these changes

- **Generic replacement:** This means your brand-name drug was removed from our Drug List because a generic version is available, in a lower cost-sharing tier.

How much will you pay?

The amount you'll pay depends on which drug payment stage you're in when you fill the prescription. To find out how much you'll pay, call Birchwood Member Services at 1-800-222-3333 (TTY 1-888-444-5555).

Important things to know about your drug coverage and your rights

See mistakes or have questions?

If you have questions, see mistakes, or suspect fraud, call us at Birchwood Member Services at 1-800-222-3333 (TTY 1-888-444-5555). You can also find answers to many questions online at www.birchwood.com. Or, call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048.

You can also call your State Health Insurance Assistance Program (SHIP). The name and phone numbers for your state SHIP are in Chapter 2, Section 3 of your *Evidence of Coverage*.

Get help with your options

Here are some things you can do to help you and your doctor manage any changes in coverage:

- **Call Birchwood Member Services to ask for a list of covered drugs that treat the same medical condition.** This list can help your doctor to find a covered drug that might work for you and have fewer restrictions or a lower cost.
- **You and your doctor can ask us to make an exception for you.** This means asking us to agree that the change in coverage or cost-sharing tier of a drug doesn't apply to you. To learn how to ask for an exception, see Chapter 7 in the *Evidence of Coverage*, "What to do if you have a problem or complaint."

Get more details in the *Evidence of Coverage*

The *Evidence of Coverage* is our plan's benefits booklet.

It explains your drug coverage and the rules you need to follow to use your coverage. To get a copy of the *Evidence of Coverage* in your mail or email, call Birchwood Member Services at 1-800-222-3333

(TTY 1-888-444-5555). You can also get this document online at www.birchwood.com.

Where to go for help with coverage problems

Your *Evidence of Coverage* explains what to do if you have problems related to your drug coverage and costs. Here are the chapters to look for:

- **Chapter 7:** Asking the plan to pay its share of a bill you have received for covered services or drugs
- **Chapter 9:** What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Your right to appeal

When we decide whether a drug is covered and how much you must pay, it's called a "coverage decision." If you disagree with our coverage decision, you can appeal our decision (see Chapter 9 of the *Evidence of Coverage*).

Medicare sets the rules for how coverage decisions and appeals are handled. These are legal procedures and the deadlines are important. The process can be expedited if your doctor tells us that your health requires a quick decision.

Get help paying for your drug coverage

"Extra Help" from Medicare. If you meet certain income and resource limits, you may qualify for Extra Help. This program helps pay for your Medicare drug coverage costs, such as plan premiums, deductibles, and costs when you fill your prescriptions. To see if you qualify for Extra Help, complete an application online at <https://secure.ssa.gov/i1020/start>. You can also call Social Security toll-free at 1-800-772-1213 (TTY 1-800-325-0778).

Help from your State Pharmaceutical Assistance Program

Many states have State Pharmaceutical Assistance Programs (SPAPs) that help people pay for prescription drugs based on financial need, age, or medical condition. Each state has different rules. To find out if your state has a State Pharmaceutical Assistance Program, visit Medicare.gov and search for "SPAP." Or, check with your local State Health Insurance Assistance Program (SHIP).
