However, failing to provide all or part of the information may prevent us from making an accurate and timely decision on any claim filed.

We will use the information to make a determination regarding your ability to perform work-related activities. We may also share your information for the following purposes, called routine uses:

1. To private medical and vocational consultants for use in making preparation for, or evaluating the results of, consultative medical examination or vocational assessments which they were engaged to perform by SSA or a State agency acting in accord with sections 221 or 1633 of the Act; and

A list of additional routine uses is available in our Privacy Act System of Records Notices (SORN) 60-0044, entitled National Disability Determination Services File System and 60-0089, entitled Claims Folders Systems.
