Please see instructions below for an explanation of the four performance measures.

For detailed instructions, please see accompanying document: "**Explanation and Detailed Instructions on How to Complete and Submit the State SNAP Agency NDNH Matching Program Performance Reporting Tool**"

General Instructions

Report all outcomes in the month the match was conducted, not the month of state verification or case action. State agencies will report data by December 31, which is 90 days after the end of the federal fiscal year (October 1- September 30).

Previously Unknown Employment

Item 1. Unduplicated Individuals Verified as Employed (receiving SNAP benefits): The number of unduplicated individuals with previously unknown employment that had an NDNH match and were verified as being employed while receiving SNAP benefits in your state.

Actions Taken

Item 2. Unduplicated SNAP Cases Closed Due to Earnings: The number of unduplicated individuals reported in item 1 whose SNAP benefits were terminated as a result of employment verified from an NDNH match.

Item 3. Unduplicated SNAP Cases with Benefits Reduced: The number of unduplicated individuals reported in item 1 whose SNAP benefits were reduced as a result of employment verified from an NDNH match.

Avoided Costs

Item 4. Unduplicated First-Month Avoided SNAP Costs: The total first-month SNAP costs avoided from items 2 and 3.

Unduplicated Annual Total

The unduplicated annual total equals the sum of each column. The total for item 4 represents the annual unduplicated first-month avoided SNAP costs resulting from use of the NDNH.
