

ADVANCE NOTIFICATION FORM

TOURIST AND OTHER NON-GOVERNMENTAL ACTIVITIES IN THE ANTARCTIC TREATY AREA

This information is requested in furtherance of U.S. obligations under Article VII(5)(a) of the Antarctic Treaty of 1959, and consistent with Antarctic Treaty Consultative Meeting Recommendation XVIII-1. Information below should be submitted no later than three months prior to intended travel to the Antarctic Treaty Area. Responses will facilitate a determination of U.S. jurisdiction over the activity and permit timely dissemination of expedition information to Treaty Parties and the Antarctic Treaty Secretariat's public Electronic Information Exchange System.

All U.S. nationals organizing expeditions to Antarctica, and all persons organizing expeditions proceeding to Antarctica from the United States, should submit this form to the U.S. Department of State as indicated below. Providing this information is voluntary. However, failure to provide the information requested on this form may prevent the U.S. from being able to comply with a Treaty obligation that mandates notice to other parties of Antarctic travel plans. The Department of State may share information on this form with other federal agencies and with Treaty Parties to the Antarctic Treaty (AT), to ensure we have fulfilled our obligations under the AT to notify other Treaty Parties of the specifics of each intended expedition to the Antarctic zone. The information provided will be shared with the U.S. Environmental Protection Agency to ensure compliance with 40 CFR (Code of Federal Regulations) Part 8, Environmental Impact Assessment (EIA) of Nongovernmental Activities in Antarctica, the U.S. National Science Foundation to ensure compliance with the Antarctic Conservation Act (ACA), as amended, 16 U.S.C. § 2401, et seq., and with other relevant U.S. and foreign government agencies, including the Antarctic Treaty Secretariat, for law enforcement, search and rescue, administrative purposes, and/or public awareness. More information on the Routine Uses for the system can be found in the System of Records Notice, State-77, Country Clearance Records.

Include attachments for responses that require more space than the form provides. If an organizer is planning more than one expedition, details specific to each individual expedition should be provided as attachments to this form. Each organizer should prepare only one Advance Notification form. The signed completed form should be submitted to the Senior Advisor for Antarctica, Office of Ocean and Polar Affairs, Room 2665, Bureau of Oceans, Environment and Science, U.S. Department of State, 2201 C Street NW, Washington DC 20520 or emailed to **Antarctica@state.gov**.
