

Financial Subsidiary—National Bank Certification

General Information and Instructions

Preparation and Use

This certification is used by a well capitalized and well managed national bank at any time to advise the Office of the Comptroller of the Currency (OCC) that the bank intends to acquire control of, or hold an interest in, a financial subsidiary or to commence a new activity in an existing financial subsidiary under 12 USC 24a and 12 CFR 5.39(i)(1)(i). The bank will file a separate application under 12 CFR 5.39(i)(1)(ii) to seek approval at a later date.

All questions must be answered with complete and accurate information that is subject to verification. If the answer is “none,” “not applicable,” or “unknown,” so state. Answers of “unknown” should be explained.

The questions in the certification are not intended to limit the filer’s presentation nor are the questions intended to duplicate information supplied on another form or in an exhibit. For such information, a cross-reference to the information is acceptable. Any cross-reference must be made to a specific cite or location in the documents, so the information can be found easily. Supporting information for all relevant factors, setting forth the basis for the filer’s conclusions, should accompany the certification. The regulatory agency may request additional information.

This certification form collects information that the OCC will need to evaluate a financial subsidiary filing. The OCC must consider the applicable statutory requirements set forth above, as well as applicable regulatory requirements, when reviewing this certification. For additional information regarding these statutory and regulatory requirements, as well as processing procedures and guidelines and any supplemental information that may be required, refer to the OCC’s procedural guidelines in the *Comptroller’s Licensing Manual*. The filer may contact the OCC directly for specific instruction or visit the OCC’s website at www OCC.gov.

Submission

The OCC requests that the filing be submitted electronically. The OCC’s electronic filing system, called the Central Application Tracking System (CATS) is accessed through BankNet, the OCC’s secure website for communicating with and receiving information from banks. For more information about filing through CATS, including BankNet registration instructions and CATS user manuals, refer to the Licensing Division home page on the OCC’s website. For email submissions, contact the OCC for instructions and information about secure transmission of confidential material.

Confidentiality

Any filer desiring confidential treatment of specific portions of the certification must submit a request in writing with the certification. The request must discuss the justification for the

requested treatment. The filer's reasons for requesting confidentiality should specifically demonstrate the harm (for example, loss of competitive position, invasion of privacy) that would result from public release of information (5 USC 552 or relevant state law). Information for which confidential treatment is requested should be (1) specifically identified in the public portion of the certification (by reference to the confidential section); (2) separately bound; and (3) labeled "Confidential." The filer should follow the same procedure when requesting confidential treatment for the subsequent filing of supplemental information to the certification. Contact the OCC for any further questions regarding requests for confidential treatment.
