This notice informs the Office of the Comptroller of the Currency (OCC) of an increase in permanent capital under 12 CFR 5.45 (federal savings associations) and 12 CFR 5.46 (national banks) (collectively, a bank or applicant). Federal savings associations are required to file a notice after an increase in permanent capital. National banks are required to file a notice after an increase in permanent capital and obtain OCC certification. All questions must be answered with complete and accurate information that is subject to verification. If the answer is “none,” “not applicable,” or “unknown,” so state. Answers of “unknown” should be explained.

The questions in the notice are not intended to limit the applicant’s presentation nor are the questions intended to duplicate information supplied on another form or in an exhibit. For such information, a cross-reference to the information is acceptable. Any cross-reference must be made to a specific citation or location in the documents, so the information can be found easily. Supporting information for all relevant factors, setting forth the basis for the applicant’s conclusions, should accompany the notice. The regulatory agency may request additional information.

This notice form collects information that the OCC will need to evaluate an increase in permanent capital notice. The OCC must consider the applicable statutory requirements set forth above, as well as applicable regulatory requirements, when acting on this notice. For additional information regarding these statutory and regulatory requirements, as well as processing procedures and guidelines and any supplemental information that may be required, refer to the OCC’s procedural guidelines in the *Comptroller’s Licensing Manual*. The applicant may contact the OCC directly for specific instruction or visit the OCC’s Web site at [www OCC.gov](http://www OCC.gov).

#### **Submission**

In addition to an original notice, the OCC would like to have an electronic copy of the notice. Submission of an electronic copy is voluntary. It will be used only for internal review and processing, and those portions granted confidential treatment will not be released to the public. For e-mail submissions, contact the OCC for instructions and information about secure transmission of confidential material.

#### **Confidentiality**

Any applicant desiring confidential treatment of specific portions of the notice must submit a request in writing with the notice. The request must discuss the justification for the requested treatment. The applicant’s reasons for requesting confidentiality should specifically demonstrate the harm (for example, loss of competitive position, invasion of privacy) that would result from public release of information (5 USC 552 or relevant state law). Information for which

confidential treatment is requested should be (1) specifically identified in the public portion of the notice (by reference to the confidential section); (2) separately bound; and (3) labeled “Confidential.” The applicant should follow the same procedure when requesting confidential treatment for the subsequent filing of supplemental information to the notice.
