	<p><i>Whom this concern i wouldn't wish sensual harassment on my worst enemy for an employee that would do anything sensual to an school employee are who. Ever did it deserve to be in prison along with me having a hard time cope it made my bad sensual abuse child hood memories come back in my head and how terrified I was of that man I'm accusing everyone I cared about for doing un consit physical and mentally things to me it's hard to cope with life the way I use to karma real I pray for Jesus to allow karma to haunt them the way I've relived my worst days of my child hood and ecusse someone of being on something someone at school gave me I go work feeling fine people worked harder get out of work then work. Jesus knows all that matters</i></p>	<p>Response: This comment is out of scope for the proposed revision of this information collection because it does not provide feedback on the nature of the information collection, the categories of respondents, the estimated burden (i.e. the time, effort, and resources used by the respondents to respond), the estimated cost to the respondent, or the actual information collection instrument.</p>
