DEPARTMENT OF HOMELAND SECURITY

Transportation Security Administration

Extension of Agency Information Collection Activity Under OMB Review: Airport Security Part 1542

AGENCY: Transportation Security Administration, DHS.

ACTION: 30-Day notice.

SUMMARY: This notice announces that the Transportation Security Administration (TSA) has forwarded the Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652–0002, abstracted below to OMB for review and approval of an extension of the currently approved collection under the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. The collection includes requirements for airport operators to submit certain information to TSA, as well as to maintain and update records to ensure compliance with security provisions.

DATES: Send your comments by April 18, 2025. A comment to OMB is most effective if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection, OMB control number 1652–0002, by selecting “Currently under Review—Open for Public Comments” and by using the find function.

FOR FURTHER INFORMATION CONTACT:

Christina A. Walsh, TSA PRA Officer, Information Technology, TSA–11, Transportation Security Administration, 6595 Springfield Center Drive, Springfield, VA 20598–6011; telephone (571) 227–2062; email TSAPRA@tsa.dhs.gov.

SUPPLEMENTARY INFORMATION: TSA published a **Federal Register** notice, with a 60-day comment period soliciting comments, of the following collection of information on October 4, 2024, 89 FR 80911. TSA did not receive any comments on the notice.

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <https://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

- (1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency’s estimate of the burden;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

Title: Airport Security Part 1542.
Type of Request: Extension of a currently approved collection.
OMB Control Number: 1652–0002.
Form(s): NA.
Affected Public: Airport operators.
Abstract: The information collection is used to determine compliance with 49 CFR part 1542 and to ensure passenger safety and security by ensuring compliance with airport operator required security procedures. The following information collections and other recordkeeping requirements with which respondent covered airport operators must comply fall under this OMB control number: (1) development of an Airport Security Program (ASP), submission to TSA for review and

approval, and implementation; (2) as applicable, development of airport operator-requested or TSA-required ASP amendments and temporary changed conditions, submission to TSA for review and approval, and implementation; (3) collection of data necessary to complete a criminal history records check for those individuals with unescorted access authority to a Security Identification Display Area; (4) submission to TSA of identifying information about individuals to whom the airport operator has issued identification media, such as name, address, and country of birth, in order for TSA to conduct a Security Threat Assessment; and (5) information collection and recordkeeping requirements associated with airport operator compliance with regulations, employees who have access privileges to secured areas of the airport, and compliance with Security Directives issued pursuant to the regulation.

Estimated Number of Respondents: 435.

Estimated Annual Burden Hours: 2,142,174.¹

Dated: March 14, 2025.

Christina A. Walsh,

TSA Paperwork Reduction Act Officer, Information Technology.
