UNITED STATES DEPARTMENT OF EDUCATION
OFFICE OF POSTSECONDARY EDUCATION

Dear Applicant:

Thank you for your interest in applying for a new grant under the Title III Strengthening Historically Black Colleges and Universities (HBCU) Programs. The HBCU Programs provide grants to institutions of higher education legally designated as a historically Black college or university (Section 322(2) of the Higher Education Act of 1965, as amended (HEA)). The purpose of the HBCU grant programs, Title III, Part B and Part F, is to assist institutions in strengthening their academic, administrative, and fiscal capabilities as authorized under the HEA. Additional information about the legislation and regulations governing the HBCU Programs can be accessed from the following website:

- [Title III Part B, Strengthening Historically Black Colleges and Universities Program | U.S. Department of Education](#).

The fiscal year (FY) 2025 application package is for new awards under the Title III Strengthening HBCU Program for the Fostering Undergraduate Talent by Unlocking Resources for Education (FUTURE) Act Program (ALN No. 84.031E) authorized by Title III, Part F, Section 371 of the HEA.

A link to the statute and regulations for this program and instructions and forms required to apply for the grant are included in this application package. To the extent that there are any conflicts between the statute and regulations, the statute takes precedence. Applicants are encouraged to review the FY 2025 Application Highlights found in this application package for an overview of important information. Please note there are two different phases of the application process.

- Phase I: Formula Data must be submitted by **February 28, 2025**
- Phase II: HBCU applicants must fully complete the application package, including a new Comprehensive Development Plan, required forms and assurances. All required documents must be submitted in Grants.gov by **June 30, 2025**.

If you have any questions, please contact Wendy Lawrence at Wendy.Lawrence@ed.gov or 202-453-7821. We appreciate your continued interest in the HBCU Programs and look forward to receiving your application.

Sincerely,

Nasser H. Paydar
Assistant Secretary for Postsecondary Education

The duration of the new grant period is five years and shall begin on October 1, 2025, and end on September 30, 2030. Funds are awarded to eligible institutions as discretionary or mandatory grants, with appropriated amounts determined by a formula calculation, based on three figures provided to the U.S. Department of Education (Department) annually by each eligible institution:

1. The number of Pell Grant recipients in the most recent academic year, as a proportion of the total number of such recipients at all eligible institutions (50 percent weight);

2. The number of graduates in the most recent academic year, as a proportion of the total number of graduates at all eligible institutions (25 percent weight); and

3. The proportion of graduates for the past five years that have gone on to graduate or professional schools, in degree programs in disciplines in which Blacks are underrepresented, divided by the aggregate proportion across all eligible institutions (25 percent weight).

In addition, two minima are established. If the amount determined by the formula is greater than $250,000 but less than $500,000, the institution is awarded $500,000, and if the amount determined by the formula is less than $250,000, the institution is awarded $250,000.

The Application Package is divided into two parts, Phase I and Phase II. Phase I is the individual institution data collection, which is required to calculate awards for both HBCU Programs, Part B (discretionary) and Part F (mandatory) funding. Phase II is the Comprehensive Development Plan (CDP) that addresses the funding. You will find information regarding what goes into the CDP further in this document. Additionally, the CDP should include a one-page project abstract.

The legislatively allowable activities for the Title III, Part B (ALN: 84.031B), Strengthening Historically Black Colleges and Universities Program, Sections 321-327 of the Higher Education Act of 1965, as amended (20 U.S.C. 1060-1063c), are as follows:

INTERGOVERNMENTAL REVIEW OF FEDERAL PROGRAMS
EXECUTIVE ORDER 12372

This program falls under the rubric of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79. One of the objectives of the Executive order is to strengthen federalism--or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state. Further information about the State Single Point of Contact process and a list of names by State can be found at:

https://www.whitehouse.gov/wp-content/uploads/2023/06/SPOC-list-as-of-2023.pdf

For State specific State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--ALN# 84.031B/E, U.S. Department of Education, 400 Maryland Avenue, SW, Room 7E200, Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR §75.102). Recommendations or comments may be hand-delivered until 4:30:00 p.m. (Eastern Standard Time) on the closing date indicated in this notice.

Important note: The above address is not the same address as the one to which the applicant submits its completed applications. ***Do not send applications to the above address.***

GENERAL EDUCATION PROVISIONS ACT (GEPA)
SECTION 427

Effective April 3, 2023, applicants are required to complete the new GEPA 427 form in Grants.gov. Previously, applicants created a general statement in response to the GEPA requirement.

The updated form requires responses to four questions. These four questions will assist applicants in identifying specific barriers to equitable access by describing in detail how the applicant will address those barriers consistent with GEPA 427.

Applicants may identify *any* barriers that may impede equitable access and participation in the proposed project activity, including, but not limited to, barriers based on economic disadvantage, gender, race, ethnicity, color, national origin, disability, age, language, migrant status, rural status, homeless status or housing insecurity, pregnancy, parenting, or caregiving status, and sexual orientation.

Applicants are encouraged to take the computer-based training, *Ensuring Equitable Opportunities Under the GEPA 427* on the ED.gov website at Grants Training and Management Resources, Online Grants Training Courses (ed.gov) and to visit the Department of Education Equity Action Plan.

Instructions for completing the GEPA 427 Form can be found on the ED.gov website at Grant Application and Other Forms (ed.gov).

The Department of Education has prepared a strategic plan for 2022-2026. HBCU Program GPRA Measures

Objective 1: Increase the persistence rate for students enrolled at HBCUs.
Measure 1.1: Persistence Rate - Four-year institutions: The persistence rate of first-time full-time degree-seeking undergraduate students at four-year institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same Historically Black College and University institution.
Measure 1.2: Persistence Rate - Two-year institutions: The persistence rate of first-time full-time degree-seeking undergraduate students at two-year institutions who were

in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same Historically Black College and University institution.

Objective 2: Increase the graduation rate for students enrolled at HBCUs.

Measure 2.1: Graduation Rate - Two-year institutions: The percentage of first-time, full-time degree-seeking undergraduate students enrolled at two-year Historically Black Colleges and Universities who graduate within four three years of enrollment.

Measure 2.2: Graduation Rate - Four-year institutions: The percentage of first-time, full-time degree-seeking undergraduate students enrolled at four-year Historically Black Colleges and Universities who graduate within six years of enrollment.

Objective 3: Increase enrollment at historically Black colleges and universities (HBCUs) over the long term.

Measure 3.1: The percentage change, over the five-year grant period, of first-time, full-time degree-seeking undergraduate students enrolled at Historically Black Colleges and Universities.

How does the Department of Education determine whether performance goals have been met?

An applicant that receives a grant award will be required to submit annual progress reports and a final report as a condition of the award. The reports will document the extent to which project goals and objectives are met.

The most recent version of this program's annual performance report can be viewed at the Institutional Service Annual Performance Report website: https://hepis.ed.gov/.

1) Create a Workspace: Creating a workspace allows you to complete it online and route it through your organization for review before submitting.

2) Complete a Workspace: Add participants to the workspace to work on the application together, complete all the required forms online or by downloading PDF versions, and check for errors before submission. The Workspace progress bar will display the state of your application process as you apply. As you apply using Workspace, you may click the blue question mark icon near the upper-right corner of each page to access context-sensitive help.

  a. Adobe Reader: If you decide not to apply by filling out web forms you can download individual PDF forms to upload in Workspace. The individual PDF forms can be downloaded and saved to your local device storage, network drive(s), or external drives, then accessed through Adobe Reader.

     NOTE: Visit the Adobe Software Compatibility page on Grants.gov to download the appropriate version of the software at: https://www.grants.gov/applicants/adobe-software-compatibility.html.

  b. Mandatory Fields in Forms: In the forms, you will note fields marked with an asterisk and a different background color. These fields are mandatory fields that must be completed to successfully submit your application.

c. Complete SF-424 Fields First: The forms are designed to fill in common required fields across other forms, such as the applicant name, address, and Unique Entity Identifier (UEI) Number. Once it is completed, the information will transfer to the other forms.

3) Submit a Workspace: An application may be submitted through workspace by clicking the Sign and Submit button on the Manage Workspace page, under the Forms tab. Grants.gov recommends submitting your application package at least 24-48 hours prior to the close date to provide you with time to correct any potential technical issues that may disrupt the application submission.

4) Track a Workspace Submission: After successfully submitting a workspace application, a Grants.gov Tracking Number (GRANTXXXXXXXX) is automatically assigned to the application. The number will be listed on the Confirmation page that is generated after submission. Using the tracking number, access the Track My Application page under the Applicants tab or the Details tab in the submitted workspace.

Helpful Reminders

1) **REGISTER EARLY** – Grants.gov registration involves many steps including registration on the System for Award Management (SAM.gov), which usually takes approximately 7 to 10 business days, but can take longer depending on the completeness and accuracy of the data entered into the SAM.gov database by an applicant. You may begin working on your application while completing the registration process, but you cannot submit until all of the Registration Steps are complete.

   NOTE: It will take 24-48 hours once your SAM.gov registration is active before the information becomes available in Grants.gov, and you can submit an application through Grants.gov. For detailed information on the Registration Steps, please go to: https://www.grants.gov/applicants/applicant-registration. Please note that your organization will need to update its SAM.gov registration annually.

   To register in SAM.gov, click on the "Get Started" link under the "Register Your Entity…" heading in SAM.gov. Grantees, and other entities wanting to do business with the U.S. Department of Education (e.g., entities applying for a grant), that are not already registered in SAM.gov must complete the "Register Entity" registration option and NOT the "Get a Unique Entity ID" option. The "Get a Unique Entity ID" option, which is not a full registration, is only available to entities for reporting purposes. Failing to complete the "Register Entity" option may result in loss of funding, loss of applicant eligibility, and/or delays in receiving a grant award.

   Information about SAM.gov is available at www.SAM.gov. To further assist you with registering in SAM.gov or updating your existing SAM.gov registration, see the Quick Start Guide for Grant Registrations and the Entity Registration Video at https://sam.gov/content/entity-registration.

2) **SUBMIT EARLY** – **We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded. The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully to Grants.gov before 11:59:59 p.m. Eastern Time on the deadline date.**

You must provide the UEI on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov. This UEI is assigned to your organization in SAM.gov at the time your organization registers in SAM.gov. If you do not enter the UEI assigned by SAM.gov on your application, Grants.gov will reject your application.

3) **VERIFY SUBMISSION IS OK** – You will want to verify that Grants.gov received your application submission on time and that it was validated successfully. To see the date/time your application was received, login to Grants.gov and click on the Track My Application link. For a successful submission, the date/time received should be earlier than 11:59:59 p.m. Eastern Time, on the deadline date, AND the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned. Once the Department receives your application from Grants.gov, an Agency Tracking Number (PR/award number) will be assigned to your application and will be available for viewing on Grants.gov's Track My Application link.

If the date/time received is later than 11:59:59 p.m. Eastern Time, on the deadline date, your application is late. If your application has a status of "Received" it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to "Validated" or "Rejected with Errors." If the status is "Rejected with Errors," your application has not been received successfully. Some of the reasons Grants.gov may reject an application can be found on the Grants.gov site: https://www.grants.gov/applicants/encountering-error-messages.html. For more detailed information on troubleshooting Adobe errors, you can review the Adobe Reader Software Tip Sheet at: https://www.grants.gov/applicants/adobe-software- compatibility.html. If you discover your application is late or has been rejected, please see the instructions below. Note: You will receive a series of confirmations both online and via e- mail about the status of your application. Please do not rely solely on e-mail to confirm whether your application has been received timely and validated successfully.

4) **SUBMISSION PROBLEMS**
   a) If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or email at: support@grants.gov or access the Grants.gov Self-Service Knowledge Base web portal at: https://grants-portal.psc.gov/Welcome.aspx?pt=Grants.
   b) The Department discourages paper applications, but if electronic submission is not possible (e.g., you do not have access to the internet), (1) you must provide a prior written notification that you intend to submit a paper application and (2) your paper application must be postmarked by the application deadline date. Your prior written notification may be submitted by email or by mail to the person listed in the FOR FURTHER INFORMATION CONTACT section of the competition Notice Inviting Applications (NIA). If you submit your notification by email, it must be received by the Department no later than 14 calendar days before the application deadline date. If you mail your notification to the Department, it must be postmarked no later than 14 calendar days before the application deadline date. (Refer to the NIA for detailed instructions)

Helpful Hints When Working with Grants.gov

Please go to https://www.grants.gov/support for help with Grants.gov. For additional tips related to submitting grant applications, please refer to the Grants.gov Applicant FAQs found at this Grants.gov link: https://www.grants.gov/applicants/applicant-faqs.html as well as additional information on Workspace at https://www.grants.gov/applicants/applicant- faqs#workspace.

Slow Internet Connections

When using a slow internet connection, such as a dial-up connection, to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-

speed connection, e.g., cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. Failure to fully upload an application by the deadline date and time will result in your application being marked late in the G5 system. **If you do not have access to a high-speed internet connection, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than 14 calendar days before the application deadline date.** (See the NIA for detailed instructions)

Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application:

- When you submit your application electronically, you must upload any narrative sections and all other attachments to your application as files in either Portable Document Format (PDF) or Microsoft Word. Although applicants have the option of uploading any narrative sections and all other attachments to their application in either PDF or Microsoft Word, we **recommend** applicants submit all documents as read-only flattened PDFs, meaning any fillable PDF files must be saved and submitted as non-fillable PDF files and not as interactive or fillable PDF files, to better ensure applications are processed in a more timely, accurate, and efficient manner.
- Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.
- When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded file names must be fewer than 50 characters, and, in general, applicants should not use any special characters. However, Grants.gov does allow for the following UTF-8 characters when naming your attachments: A-Z, a-z, 0-9, underscore, hyphen, space, period, parenthesis, curly braces, square brackets, ampersand, tilde, exclamation point, comma, semi colon, apostrophe, at sign, number sign, dollar sign, percent sign, plus sign, and equal sign. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.
- Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package with all attachments is less than 5 MB. Therefore, you may want to check the total size of your package before submission.
