Attendance and Absenteeism

ABS7end. What is (or was) the **average daily attendance** rate for your school for the 2024-25 school year?

*An attendance rate is the percentage of your students who are **present** for school.*

○ _____ %

Next, we are interested in chronic absenteeism at your school during the 2024-25 school year. You may either report the percentage or number of students who were chronically absent this school year.

ABS1_ch. Would you prefer to report the percentage of students or the number of students who were chronically absent during the 2024-25 school year?

— Percentage of students chronically absent

— Number of students chronically absent

ABS1_p. During the 2024-25 school year, approximately what percentage of students at your school have been **chronically absent**? Include excused and unexcused absences. {Display if ABS1_ch = percentage}

Chronic absenteeism is defined as students who are absent for at least 10 percent of the school year

— _____ percent of students chronically absent

ABS1_c. During the 2024-25 school year, approximately how many students at your school have been chronically absent for the 2024-25 school year? {Display if ABS1_ch = number}

Chronic absenteeism is defined as students who are absent for at least 10 percent of the school year

— _____ number of students chronically absent

ABS2z. Compared to **LAST school year (2023-24)**, how have student absences at your school changed during the 2024-25 school year? Include excused and unexcused absences.

- Student absences have decreased a lot
- Student absences have decreased a little
- Student absences have remained about the same
- Student absences have increased a little
- Student absences have increased a lot
