SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: OpFund Shortfall Program Financial Reporting and Monitoring.

OMB Approval Number: 2577–0300.

Type of Request: Revision of currently approved collection.

Form Number: HUD–50093, HUD–50094, HUD–50095, HUD–50096, SF–425.

Description of the need for the information and proposed use:

The Shortfall Program has been in operation since FY 2021 and was created through annual Appropriations laws providing a \$25 million set-aside in the Public Housing Fund to assist Public Housing Agencies experiencing or at risk of financial shortfalls. The

program is targeted to PHAs with the lowest Public Housing reserves. Funding is allocated to raise PHAs' reserves to two months of expenses. Along with the infusion of funds, PHAs create Improvement Plans to improve their financial situation and address financial issues. OMB requested that PIH collect information from PHAs to evaluate the efficacy of the program in improving PHA's financial situation. This PRA is being submitted to improve the effectiveness of the program (through monitoring and risk management) which ultimately helps the PHAs reach sustainable financial success. This PRA will include a short-form budget for PHAs to report on their budget and actuals through the year so that financial and operational performance can be evaluated; an Improvement Plan, which will increase accountability towards making financial improvements; and Shortfall Program Application and Appeal forms. These forms will be accessible to PHA and HUD staff through a web-based portal to increase operational efficiency.

Respondents: Public Housing Agencies.

The estimated burden hours and the cost for the respondents is below:

Information collection	Number of respondents	Number of responses per respondent	Total annual responses	Burden hours per response	Total hours	Hourly cost	Total annual cost
