b. Will the products be used to produce exportable goods?

Yes

No

IMPORTANT: The Issuing Bank, Importer, LC Beneficiary, and End User must be foreign entities in countries for which EXIM is able to provide support, see EXIM's Country Limitation Schedule (CLS) at www.exim.gov. There must not be trade sanctions or measures in force involving products from these countries under the Anti-Dumping or Countervailing Duty sanctions as EXIM cannot support exports to entities in these markets if the exports are used by these entities to produce such products. Please contact EXIM for further advice if trade sanctions or measures are in force involving your proposed transaction. In addition, certain products are subject to trade actions, precluding them from being supported under EXIM programs. Please see www.usitc.gov to view (i) a list of products and countries with Anti-Dumping or Countervailing Duty sanctions and (ii) products subject to a determination under Section 201 of the Trade Act of 1974.

The following credit information on the LC issuing bank may be required. EXIM will notify you if any of these items are required to process the application. At your option, you may attach copies of any of these items or others that you wish to submit with the application:

1. Audited fiscal year-end financials statements for the past two (2) years, including notes. Interim financial statements may also be required if the most recent fiscal year-end statements are more than 9 months old.
2. A bank reference dated within 6 months of the application from a correspondent bank. The reference should indicate if credit lines are secured and the type of credit facilities offered.
3. Background information on the LC issuing bank, including a description of the bank's operation and structure and a list of the shareholders who directly or indirectly own 10% or more of the bank, with their corresponding ownership percentages.
4. Rating Agencies' reports on the LC issuing bank.

China and Transformational Exports Program (CTEP)

To determine if your transaction is eligible for Sec. 402 consideration, the answer to at least one of the following two questions must be "Yes":

Is your transaction facing competition from an entity backed by the People's Republic of China (PRC) - Section 402(A)?

Yes

No

Is your transaction one of the ten Transformational Export Areas or a related service - Section 402(B)?

Yes

No

At least one Transformational Export Area value must be selected in the table below if you have responded "Yes" to the 402(B) question immediately above.

Transformational Export Areas	Export Value The value of the export largely consists of technology used to...	Buyer End Use The foreign buyer will use the exports to...	Justification
Artificial Intelligence			...make the best decision given changing circumstances using computerized system, without direct human input or intervention
Biotechnology			...use biological processes for industrial and other purposes
Biomedical Sciences			...diagnose and/or treat medical conditions in humans with advanced medical equipment and processes
Wireless communications equipment			...distribute information by means of digital electromagnetic transmission without the need for wires, optical fibers, or othersynthesized materials
Quantum computing			...facilitate the implementation and use of quantum computers (application of qubit superposition processing)
Renewable energy, energy efficiency, energy storage 1. Renewable energy 2. Energy efficiency 3. Energy storage			...generate or use of energy produced from a naturally renewable source ...reduce energy loss or consumption in a system or application ...store energy with a capacity of 1kWh
Semiconductor and semiconductor manufacturing			...make use of semiconductors or the U.S. semiconductor industry
Emerging financial technologies			...improve or automate the delivery and use of financial services
Water treatment and sanitation			...produce or distribute potable water for human consumption, or collect and/or treat wastewater, regardless of origin
High-performance computing			...process more than 500 terabytes/day or exceed a speed of 500 teraflops/second

Does this transaction require flexibilities to move forward? Yes No

If yes, please provide a brief description below and your request will be reviewed by EXIM's CTEP division. If necessary, you can directly contact the CTEP team by sending an email to CTEP@exim.gov

Comments:

CERTIFICATIONS AND SIGNATURE

Please refer to the "Standard Certifications and Covenants for EXIM Bank Applications" set forth in Form [EIB 18-CN](#), posted on the EXIM website at <https://www.exim.gov/tools-for-exporters/applications-forms/complete-list> (the "Standard Certifications"). **THE STANDARD CERTIFICATIONS ARE INCORPORATED INTO THIS APPLICATION AS IF FULLY AND DIRECTLY SET FORTH HEREIN.** When signing this application in the space provided below, the undersigned authorized officer signing on the applicant's behalf certifies and represents that he or she is fully authorized to sign on the applicant's behalf, and that **HE OR SHE HAS READ** the Standard Certifications referenced above **AND IS CERTIFYING AND COVENANTING**, as appropriate, to all of the certifications, acknowledgements and covenants set forth in the Standard Certifications.

Applicant further certifies that the representations made and the facts stated in this application and its attachments **are true and Applicant has not misrepresented or omitted any material facts.** Applicant further covenants that if any statement set forth in this application or in the Standard Certifications, becomes untrue, or is discovered to have been untrue when made, Applicant will promptly inform EXIM of all such changes or discoveries. Applicant further understands that in accepting or approving this application, EXIM is relying upon Applicant's statements set forth in the application and in the Standard Certifications, and all statements and certifications to EXIM are subject to the penalties for false or misleading statements to the U.S. Government (18 USC § 1001, et. seq.).

I, _____, do hereby certify that I am the duly appointed and qualified _____ (Title)
of _____ and that as such I am authorized to execute this application on behalf of
(Name of Policyholder)

(Name of Policyholder)

In witness whereof, I have hereunto signed my name this _____ day of _____, 20____.

(Signature)

NOTICES

The applicant is hereby notified that information requested by this application is done so under authority of the Export-Import Bank Act of 1945, as amended (12 USC 635 et. seq.); provision of this information is mandatory and failure to provide the requested information may result in EXIM being unable to determine eligibility for support. If any of the information provided in this application changes in any material way or if any of the certifications made herein become untrue, the applicant must promptly inform EXIM of such changes. The information provided will be reviewed to determine the participants' ability to perform and pay under the transaction referenced in this application. EXIM may not require the information and applicants are not required to provide information requested in this application unless a currently valid OMB control number is displayed on this form (see upper right of each page). EXIM reserves the right to decline to process or to discontinue processing of an application.

Paperwork Reduction Act Statement: We estimate that it will take you about 30 minutes to complete this form. This includes the time it will take to read the instructions, gather the necessary facts and fill out the form. However, you are not required to provide information requested unless a valid OMB control number is displayed on the form. If you have comments or suggestions regarding the above estimate or ways to simplify this form, forward correspondence to EXIM and the Office of Management and Budget, Paperwork Reduction Project, OMB# 3048-0016 Washington, D.C. 20503.
