

**Federal Communications Commission  
Washington, D.C. 20554**

**Seventeenth 911 Annual Fee Report, Response for Calendar Year 2024**

**Landing 4**

**Important Technical Notices** – We ask all respondents to review the form technical limitations before answering the questions below.

- **Answers to the Questions Are Only Provided After Submission.** A PDF document with your responses will be available after you complete the questionnaire.
- **Carefully Review Your Answer Before Continuing to the Next Question.** We encourage the respondent to carefully review answers to each question before moving to the next question.
- **Copies of Questions and Responses:** It may be helpful to save a copy of each response before continuing to the next question. For example, you may print answers, save answers as a PDF, or take a screen shot of answers before moving to the next question.
- **Timing Out After One Hour of Inactivity.** The One-Time Information Collection will time out after one hour of inactivity. Depending on your web browser settings, if you are unable to resume progress on the questionnaire via the original questionnaire link, you will need to access the system again via the original questionnaire link to retake the questionnaire.
- **Do Not Use the Back Button on the Browser** - Depending on your web browser settings, if you click on the “Back” button of the browser or open an embedded link, your prior responses may not be saved. You may need to access the questionnaire again via the original survey link to retake the questionnaire.
- **How to Open Embedded Links** - To open embedded links in any part of the form, we recommend that the respondent “right click” on a link and select “Open Link in New Tab.”

- Depending on your web browser settings, if you directly click on and open an embedded link within the same window or tab, you navigate away from the questionnaire, and your prior responses may not be saved if you try to go back. You may need to access the system again via the original questionnaire link to retake the questionnaire.
- **Character Limit** - By default, the maximum number of characters permitted in a single text entry field is 20,000. *This system does not provide a character count.* If you encounter a character limit error for one or more responses, only enter "See Supplement" in the response field. Separately, please prepare a supplemental document that names your state or jurisdiction, identifies the affected question number(s), and includes the intended full response(s). Any time after completing and submitting the questionnaire, but before the questionnaire deadline, you may email the supplemental document to [911FeeReport@fcc.gov](mailto:911FeeReport@fcc.gov).
- **This system does not perform math checks. Please ensure that any requested totals are accurate.**

**IMPORTANT NOTE: Keyboard-only users must use the tab button, then the space bar or enter key to continue to the next page.**

To review earlier responses, use the "Previous" button in the lower left corner of each page. Depending on your web browser settings, if you click on the "Back" button of the web browser or open an embedded link within the same window or tab as the questionnaire, prior responses may not be saved, in which case you will need to start over to retake the questionnaire. We encourage you to carefully review your answer to each question before moving to the next question. It may be helpful to save a copy of each response before continuing to the next question. For

example, you may print answers, save answers as a PDF, or take a screen shot of answers before moving to the next question.
