IMPORTANT NOTE: Keyboard-only users must use the tab button, then the space bar or enter key to continue to the next page.

To review earlier responses, use the "Previous" button in the lower left corner of each page. Depending on your web browser settings, if you click on the "Back" button of the web browser or open an embedded link within the same window or tab as the questionnaire, prior responses may not be saved, in which case you will need to start over to retake the questionnaire. We encourage you to carefully review your answer to each question before moving to the next question. It may be helpful to save a copy of each response before continuing to the next question. For example, you may print answers, save answers as a PDF, or take a screen shot of answers before moving to the next question.
