**Purpose:** The Commission is required by statute to submit an annual report to Congress on the collection and distribution of 911 and Enhanced 911 (E911) fees and charges by the states, the District of Columbia, and U.S. territories (collectively, "reporting entities"). To prepare the annual

See 47 U.S.C. § 615a-1(f)(4) and 47 CFR § 9.25. However, failure to provide complete information to the FCC, including name, contact information, and/or other necessary personally identifiable information (PII), could result in the inclusion of partial or incomplete information in the annual 911 fee report on the collection and distribution of 911 and E911 fees and charges in such a state or jurisdiction.
