SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–261, OMB Control No. 3235–0274]

Submission for OMB Review; Comment Request; Extension: Rule 17Ad–11

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17Ad–11 (17 CFR 240.17Ad–11), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17Ad–11 requires every registered recordkeeping transfer agent to report certain information to issuers and its appropriate regulatory agency in the event that the aggregate market value of an “aged record difference” exceeds certain thresholds. A “record difference” occurs when the number of shares or principal dollar amount of securities in an issuer’s records do not equal those in the master securityholder file as indicated, for instance, on certificates presented to the transfer agent for purchase, redemption, or transfer. An “aged record difference” is a record difference that has existed for more than 30 calendar days. In addition, the rule requires every registered recordkeeping transfer agent to report certain information to issuers and its appropriate regulatory agency concerning buy-ins of all issues for which it acts as recordkeeping transfer agent. Further, the rule requires every registered recordkeeping transfer agent to report to its appropriate regulatory agency when it has failed to post certificate detail to the master securityholder file within five business days of the time required by Rule 17Ad–10 (17 CFR 240.17Ad–10). Transfer agents must also maintain a copy of any report required under Rule 17Ad–11 for a period of not less than three years following the date of the report, the first year in an easily accessible place.

Because the information required by Rule 17Ad–11 is already available to transfer agents, any collection burden for small transfer agents is minimal. Based on a review of the number of Rule 17Ad–11 reports the Commission, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation (collectively, the “appropriate regulatory agencies”) received since 2019, the Commission staff estimates that 8 respondents will file a total of approximately 1 report annually. The Commission staff estimates that, on average, each report can be completed in 30 minutes. Therefore, the total annual time burden for the entire transfer agent industry is approximately .5 hours (0.5 hours × 1 report). Assuming an average hourly rate of \$78 for a compliance staff employee at a transfer agent, the average total internal compliance cost for each report is \$39. The total annual internal cost of compliance for the estimated 8 respondents is thus approximately \$39 (\$39 per report × 1 report).

The retention period for the recordkeeping requirement under Rule 17Ad–11 is not less than three years following the date of a report prepared pursuant to the rule. The recordkeeping

requirement under Rule 17Ad–11 is mandatory to assist the Commission and other regulatory agencies in monitoring transfer agents who are not performing their functions promptly and accurately. This rule does not involve the collection of confidential information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Written comments are invited on: (a) whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

The public may view and comment on this information collection request at: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202411-3235-013 or send an email comment to MBX.OMB.OIRA.SEC_desk_officer@omb.eop.gov within 30 days of the day after publication of this notice by March 31, 2025.

Dated: February 25, 2025.

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–329, OMB Control No. 3235–0371]

Submission for OMB Review; Comment Request; Extension: Rule 15a–6

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 15a–6 (17 CFR 240.15a–6) under

¹¹ 17 CFR 200.30–3(a)(12) and (59).

the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 15a–6 provides conditional exemptions from the requirement to register as a broker-dealer pursuant to Section 15 of the Securities Exchange Act for foreign broker-dealers that engage in certain specified activities involving U.S. persons. In particular, Rule 15a–6(a)(3) provides an exemption from broker-dealer registration for foreign broker-dealers that solicit and effect transactions with or for U.S. institutional investors or major U.S. institutional investors through a registered broker-dealer, provided that the U.S. broker-dealer, among other things, obtains certain information about, and consents to service of process from, the personnel of the foreign broker-dealer involved in such transactions, and maintains certain records in connection therewith.

These requirements are intended to ensure (a) that the registered broker-dealer will receive notice of the identity of, and has reviewed the background of, foreign personnel who will contact U.S. investors, (b) that the foreign broker-dealer and its personnel effectively may be served with process in the event enforcement action is necessary, and (c) that the Commission has ready access to information concerning these persons and their U.S. securities activities. Commission staff estimates that approximately 2,000 U.S. registered broker-dealers will spend an average of two hours of clerical staff time and one hour of managerial staff time per year obtaining the information required by the rule, resulting in a total aggregate time burden of 6,000 hours per year for complying with the rule. Assuming an hourly cost of \$78¹ for a compliance clerk and \$344² for a compliance manager, the resultant total internal labor cost of compliance for the respondents is \$1,000,000 per year (2,000 entities × ((2 hours per entity × \$78/hour) + (1 hour per entity × \$344/hour)) = \$1,000,000).

In general, the records to be maintained under Rule 15a–6 must be kept for the applicable time periods as set forth in Rule 17a–4 (17 CFR 240.17a–4) under the Exchange Act or,

¹ The hourly rate used for a compliance clerk was from SIFMA's *Office Salaries in the Securities Industry 2013*, modified by Commission staff to account for an 1,800-hour work-year and multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead.

² The hourly rate used for a compliance manager was from SIFMA's *Management & Professional Earnings in the Securities Industry 2013*, modified by Commission staff to account for an 1,800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

with respect to the consents to service of process, for a period of not less than six years after the applicable person ceases engaging in U.S. securities activities. Reliance on the exemption set forth in Rule 15a–6 is voluntary, but if a foreign broker-dealer elects to rely on such exemption, the collection of information described therein is mandatory. The collection does not involve confidential information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

The public may view and comment on this information collection request at: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202412-3235-010 or send an email comment to MBX.OMB.OIRA.SEC_desk_officer@omb.eop.gov within 30 days of the day after publication of this notice by March 31, 2025.
