## Introduction

I1

We are conducting surveys with people to learn about the challenges households face getting affordable food. We are trying to reach the adult who does most of the planning or preparing of meals in your household.
Are you the adult who does most of the planning or preparing of meals in your household?

Thank you for your time. We will try contacting the adult who does most of the planning or preparing of meals in your household.

#### I5e

Thank you for your time. We are trying to reach the adult who does most of the planning or preparing of meals in your household.

Please ask the adult who does most of the planning or preparing of meals in your household to complete the survey online or by calling the study line at XXX-XXXX-XXXX.

If you **are** the adult who does most of the planning or preparing of meals in your household, press Back to change your response.

The survey will take approximately 35 minutes. It has questions about your household's food-related experiences, benefits you may receive, and your overall health and well-being. Participating in the study has no known risks and your answers will help design programs that are more effective at reducing hunger and benefiting all households in [COUNTY]. As a way of saying thank you, we will send eligible households a \$35 Visa gift card for helping us.

Your participation in this survey is voluntary and you may stop at any time. You may also refuse to answer any question. Your benefits will not be affected by any answers to questions or if you choose not to participate.

All the information you give us will be kept private to the extent allowed by law. Your name will not be attached to any of your answers. Your information will be used only in combination with information from other households for research purposes and all confidential information will be stored safely and destroyed at the end of the study.

Do you agree to pa	rticipate in the survey?

Thank you very much for your time. You have really helped us with this study.

CC1

We are also conducting in-person interviews to learn more about some families' experiences and access to affordable food. Those who are selected for the in-person interview will each get \$50 *in addition to* the gift card for this survey. If you agree to take part, a member of the study team **may** contact you in the next few [weeks/months] with more information and to schedule interviews.

Are you willing to be contacted about taking part in an in-person interview? You can change your mind about participating at a later time.
