 - (i) Confidential applicant and participant information is any information about an applicant or participant, whether it is obtained from the applicant or participant, another source, or generated as a result of WIC application, certification, or participation, that individually identifies an applicant or participant and/or family member(s). Applicant or participant information is confidential, regardless of the original source and exclusive of previously applicable confidentiality provided in accordance with other Federal, State or local law.
 - (ii) Except as otherwise permitted by this section, the State agency must restrict the use and disclosure of confidential applicant and participant information to persons directly connected with the administration or enforcement of the WIC Program whom the State agency determine have a need to know the information for WIC Program purposes. These persons may include, but are not limited to: personnel from its local agencies and other WIC State or local agencies; persons under contract with the State agency to perform research regarding the WIC Program, and persons investigating or prosecuting WIC Program violations under Federal, State or local law.

The State or local agency must permit applicants and participants to refuse to sign the release form and must notify the applicants and participants that signing the form is not a condition of eligibility and refusing to sign the form will not affect the applicant's or participant's application or participation in the WIC Program.
