c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

The purpose of the information system is to collect surviving member information when seeking program assistance for Fallen Soldiers benefits. This module is utilized by Active Duty Army, Army Reserve, National Guard survivor outreach service program personnel for client intake. The information system also has the capability to generate analytical reports which are provided to higher headquarters as needed.

The types of personal information collected in the system are name, birth date, home cell phone, home mailing address and personal email address, Military Status, Service branch, vehicle decal number, alternate phone number, Defense Casualty Information Processing System (DCIPS) ID.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

The SOS module is the initial survivor information collection point when seeking program assistance for benefits.

e. Do individuals have the opportunity to object to the collection of their PII? Yes No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

Survivor information is not required, however failure to provide the requested information may impede personnel from being able to assist individuals effectively.

f. Do individuals have the opportunity to consent to the specific uses of their PII? Yes No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

Survivor information is not required, however failure to provide the requested information may impede personnel from being able to assist individuals effectively.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)
