<p>This Environmental Information and Documentation (EID) checklist consists of information that the agency is required to obtain to comply with the National Environmental Policy Act of 1969 (NEPA) as amended with the Fiscal Responsibility Act (FRA) P.L 118-5 of 2023. NEPA establishes the Federal government's national policy for protection of the environment. HRSA has developed the EID for applicants of funding that would potentially impact the environment and to ensure that their decision-making processes are consistent with NEPA. Applicants must provide information requested on the EID checklist so that HRSA may ensure compliance with NEPA.</p> <p>HRSA will provide applicants with the results of the agency's environmental review through the Notice of Award (NOA). If HRSA determines that additional environmental compliance is necessary, HRSA will notify applicable Award Recipients of specific requirements.</p> <p>Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The OMB control number for this project is 0915-0324 and is valid until 04/30/2028. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14NWH04, Rockville, Maryland, 20857 or paperwork@hrsa.gov.</p>
