

Agency for Healthcare Research and Quality (AHRQ)
Patient Safety Organization (PSO) Summit to Address the Opioid Crisis
Request for Opioid Project Information

Exp. Date 11/30/2020

Introduction: If you have worked on, or are interested in learning about, opioid-related projects and how you may be able to adapt them to a specific care setting, AHRQ would appreciate your completing this form. This information will help us in planning the November 30th Opioid Summit. For example, we may find a theme worth highlighting at the summit or a setting of care that could use help developing tools for improvement related to opioids. ***Your participation is voluntary, but very much appreciated.***
