Good morning/afternoon --

Thank you again for working with the Agency for Healthcare Research and Quality (AHRQ) Evidence-based Practice Center (EPC) Program on [insert review name]. We are committed to making sure our partners receive high-quality systematic reviews and have a positive experience working with us. To help us achieve this, we are asking for you to please:

- Complete a brief survey at: <https://www.surveymonkey.com/r/ahrqpartner>
- Talk with us for a brief follow-up phone call, if needed (30 minutes max)

The purpose of the brief follow-up phone call is to:

- Give you a chance to share any additional feedback
- Give us the chance to ask you any questions, based on your responses to the survey. E.g., “why” something worked well or didn’t work well? Your dissemination plans and the potential impact of the report?

Please take a moment to complete the brief survey and let us know when you would be free for the brief follow-up call.

Thank you!

Best regards,

[AHRQ TOO NAME]
