**TITLE: : Nominator Customer Satisfaction Survey for the Evidence Based  
Practice Center (EPC) Division**

**GENERIC CLEARANCE UNDER OMB#:** 0925-0179      **EXP. DATE:** XX/XX/20XX

**ABSTRACT:**

The mission of the EPC program is to create reports that improve healthcare by supporting evidence-based decision making by patients, providers, and policymakers. To ensure that our reports are used, we invite nominations from professional organizations that create guidelines or other private or public sector organizations that need a systematic review of the evidence on some medical question in order to improve medical care. In order to improve how we work with these nominators and to improve the utility of the final report, we would like to interview a representative of each nominator (most likely whoever worked as liaison with us during the project) about their experience and the usefulness of the final report once the project is completed. This information will be used to increase the efficiency and impact of our program.
