

**Request for Approval under the clearance of the “Generic for ACF Program
Office Monitoring Activities” Office of Management and Budget (OMB)
Control Number: 0970-0558**

TITLE OF INFORMATION COLLECTION: Office of Refugee Resettlement (ORR)
Refugee Individual Development Accounts (IDA) Program Case File Requirements

PURPOSE: The Administration for Children and Families (ACF) Office of Refugee Resettlement (ORR) requires Refugee IDA Program funding recipients to keep records of documents related to grant spending and performance of program-related activities. This specific record keeping requirement allows ORR to specify records Refugee IDA program funding recipients must keep. Through monitoring activities, ORR will ensure that the necessary records are kept by funding recipients.

This information collection aligns with the overarching generic for monitoring activities, which specifically states that the information collected will allow for ACF’s:

- monitoring of compliance with federal practice, guidelines, and requirements
- documentation of promising practice, innovative services, and program strengths
- flexible and responsive oversight of federal funds

The proposed uses of the data also align with the overarching generic, which specifies that program offices would use information collected under this generic clearance to monitor funding recipient activities and to provide support or take appropriate action, as needed. This could include:

- Oversight and evaluation of grantee performance: technical/programmatic, financial, and business management.
- Assessment of progress towards meeting Funding Opportunity Announcement objectives.
- Confirmation of compliance with grant requirements: determining whether federal grants are being used for the purposes for which they are made and taking appropriate actions for non-compliance and enforcement.
- Verification that programs/projects initiated by grantees are carried out in a manner consistent with the grantee’s approved project goals and objectives, and in a manner consistent with ACF’s expectations
- Day-to-day activities, activities performed at specified intervals, and periodic evaluations of grantee performance that are required by statute or policy.
- Determination of certain aspects of continued performance (e.g., continued funding).

This is a record keeping requirement; information will not be collected by ORR.

DESCRIPTION OF RESPONDENTS: (e.g., states, grantees, or type of non-profit)
ORR IDA Program grantees (nonprofit entities)
