Thank you for your interest! You can help us learn about your community to understand and meet your community, and to better understand and meet community goals.

Specifically, the United States Fish and Wildlife Service (USFWS) is looking for local residents who are interested in discussing the future of our programs and how they could benefit our surrounding communities. This form will ask you to share some basic information with us regarding if and how you would like to participate in this discussion. All questions on this form are voluntary – you may answer as many or as few as you wish, including none at all, without any repercussions.

It should take around 5 minutes to complete the questions. Your contact information will only be shared with the **USFWS** and our project partner, With (Not For) Communities. All other information will only be used to help us make programs that meet the needs of the community.
