SEC. 15. WORKFORCE AND LABOR MARKET INFORMATION SYSTEM.

(a) SYSTEM CONTENT.--

(1) IN GENERAL.-- The Secretary, in accordance with the provisions of this section, shall oversee the development, maintenance, and continuous improvement of a nationwide workforce and labor market information system that includes --

(A) statistical data from cooperative statistical survey and projection programs and data from administrative reporting systems that, taken together, enumerate, estimate, and project employment opportunities and conditions at national, State, and local levels in a timely manner, including statistics on--

(i) employment and unemployment status of national, State, and local populations, including self-employed, part-time, and seasonal workers;

(ii) industrial distribution of occupations, as well as current and projected employment opportunities, wages, benefits (where data is available), and skill trends by occupation and industry, with particular attention paid to State and local conditions;

(iii) the incidence of, industrial and geographical location of, and number of workers displaced by, permanent layoffs and plant closings; and

(iv) employment and earnings information maintained in a longitudinal manner to be used for research and program evaluation;

(B) information on State and local employment opportunities, and other appropriate statistical data related to labor market dynamics, which --

(i) shall be current and comprehensive;

(ii) shall meet the needs identified through the consultations described in subparagraphs (A) and (B) of subsection (e)(2); and

(iii) shall meet the needs for the information identified in section 134(d);

(C) technical standards (which the Secretary shall publish annually) for data and information described in subparagraphs (A) and (B) that, at a minimum, meet the criteria of chapter 35 of title 44, United States Code;

(D) procedures to ensure compatibility and additivity of the data and information described in subparagraphs (A) and (B) from national, State, and local levels;

(E) procedures to support standardization and aggregation of data from administrative reporting systems described in subparagraph (A) of employment-related programs."
