

ORS Stakeholder Survey email survey invitation

Subject Line: Provide Feedback on ORS data and information products

The Occupational Requirements Survey (ORS) provides estimates measuring occupational requirements to help define and describe the requirements of work in the U.S. economy. To improve the relevance and assess how we present ORS data, the Bureau of Labor Statistics is conducting a short survey to ask for your feedback about ORS data and information products. This voluntary survey will take approximately 6 minutes to complete.

Use the link below to complete this short survey.
