

Request for Approval under the “Department of Labor Generic Clearance for the Collection of Feedback on Agency Service Delivery”

(OMB Control Number: 1225-0088)

TITLE OF INFORMATION COLLECTION: BLS Producer Price Index (PPI) User Survey

PURPOSE:

The purpose of this user survey is to obtain feedback about products on the PPI program website including the usefulness of the information provided, what products data users actually use, how they currently apply those data to real-world problems, and suggestions for improvements or new products. In addition, an attempt will be made to find out more about the users who respond to these surveys, including their occupations, how well the website is meeting their needs, and ratings of the quality of the information obtained.

No personally identifiable information will be collected. We will not be using a random sample for the survey.

DESCRIPTION OF RESPONDENTS:

The target audience of respondents for the PPI User Survey are individuals who have prior involvement with the PPI program, prior use of PPI data, or are potential PPI data users. This includes individuals involved in academics, businesses, government agencies, policy makers, and private individuals.

Frame sources include individuals entered into the BLS Customer Inquiry System (CIS), BLS update subscribers, PPI update subscribers.

To assist review, please provide answers to the following question:

Personally Identifiable Information:

1. Is personally identifiable information (PII) collected? Yes No
2. If Yes, is the information that will be collected included in records that are subject to the Privacy Act of 1974? Yes No
3. If Applicable, has a System or Records Notice been published? Yes No

Gifts or Payments:

Is an incentive (e.g., money or reimbursement of expenses, token of appreciation) provided to participants? Yes No

BURDEN HOURS

The number of respondents was estimated based on approximately 10% response rate to a single email invitation to a list of known product users. Known product users include PPI data users and individuals with prior involvement with PPI. Additional responses are expected from web product page visits where visitors can click a banner link to complete the survey. Details on the number of PPI data users and individuals with prior involvement is provided below.

The survey will solicit responses from customers using various methods:

- Include a link in a banner on the PPI homepage.
- An email frame with a request to complete the survey will be sent to known data users and individuals with prior involvement with PPI.

Category of Respondent	No. of Respondents	Participation Time	Burden
Survey respondent (Individuals or Households)	3460	6 min	346 hours
Survey Respondents (Businesses)	1659	6 min	166 hours
Totals	5119		512 hours

FEDERAL COST: The estimated annual cost to the Federal government is \$5,165 (estimated based on an average GS-12/1 salary rate of \$51.65 for development, programming, and system maintenance, and monitoring, receiving, analyzing, and reporting on the responses.)

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
 Yes No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

Potential respondent groups have been identified as individuals who have prior involvement with the PPI program, prior use of PPI data, or are potential PPI data users. These individuals will be selected using contact information obtained from the CIS, BLS update subscriber list, PPI update subscriber list, PPI news release subscriber list, and PPI respondents. Additionally, a link will be placed on the PPI home page of the BLS website with the message “Brief Survey: Help Us Improve Our Data.”

Administration of the Instrument

1. How will you collect the information? (Check all that apply)
 - Web-based or other forms of Social Media
 - Telephone
 - In-person
 - Mail
 - Other, Explain

2. Will interviewers or facilitators be used? Yes No

Please make sure that all instruments, instructions, and scripts are submitted with the request.
