

U.S. DEPARTMENT OF HOMELAND SECURITY U.S. COAST GUARD	Cybersecurity Plans	OMB No. 1625- 0132 Exp: mm/dd/yyyy
---	---------------------	--

Who must comply?	Vessel and facility owners and operators operating in the U.S. Maritime Transportation System that are regulated by 33 CFR parts 101, 104, 105, and 106.
What is this collection about?	The Coast Guard (CG) implemented cybersecurity regulations in Title 33 CFR Part 101. A prime element of these requirements is security assessments and plans for MTSA-regulated vessels, facilities, and Outer Continental Shelf (OCS) facilities. These security plans involve collections of information that are vital to securing the safety of maritime areas. These requirements are critical in determining appropriate security measures to reduce the risk of a Transportation Security Incident (TSI).
Where do I find the requirements for this information?	Title 33 CFR, is available at— https://www.eCFR.gov , select TITLE 33 – NAVIGATION AND NAVIGABLE WATERS, and follow to subchapter H – Maritime Security.
When must information be submitted to the Coast Guard?	Security plans and related material must be submitted— <ul style="list-style-type: none"> • For a new vessel or facility, prior to operation, or • For an existing vessel or facility with an approved CG security plan, prior to the expiration of the plan or when changes/updates are required or deemed necessary.
How is the information submitted?	By mail, fax or electronically submitted via e-mail to the CG. A comprehensive list of contact info for CG units, including District Commanders, can be found at: https://www.uscg.mil/Units/Organization/ . <ul style="list-style-type: none"> • For a vessel security plan, to the CG Marine Safety Center; • For a facility security plan, to the local Captain of the Port; • For an OCS facility security plan, to the local CG District Commander.
What happens when complete information is received?	The CG will review the information and respond via writing.
For additional information, contact--	The CG— <ul style="list-style-type: none"> • For Vessel Security Plans questions, please contact the Marine Safety Center at (202) 795-6773 or securityplaninfo@uscg.mil. • For Facility Security Plan questions, please contact your local Coast Guard Sector Office. Those offices, as part of a comprehensive list of Coast Guard units, can be found at https://www.uscg.mil/Units/Organization/.

	<ul style="list-style-type: none">• For OCS Facility Security Plan questions, please contact your local CG District Commander. Those offices, as part of a comprehensive list of Coast Guard units, can be found at https://www.uscg.mil/Units/Organization/.• For general maritime security questions, please contact Commandant (CG-FAC) U.S. Coast Guard Stop 7501 Attn: Office of Port and Facility Activities 2703 Martin Luther King Jr Ave SE Washington, DC 20593-7501 Tel: 202-372-1114
--	--

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number.

The Coast Guard estimates that the average burden per response for this report varies per information collection—about 9 minutes for a Transportation Security Incident report; up to 10 hours for an annual security plan review; up to 15 hours for a 5-year review/resubmission of a security plan; and up to 50 hours for the development of a security plan. You may submit any comments concerning the accuracy of this burden estimate or any suggestions for reducing the burden to: Commandant (CG-FAC), U.S. Coast Guard Stop 7501, 2703 Martin Luther King Jr Ave SE, Washington, DC 20593-7501 or Office of Management and Budget, Paperwork Reduction Project (1625-0132), Washington, DC 20503.
