

American Innovation and Manufacturing (AIM) Act Petition to Import for Transformation or Destruction

Worksheet Instructions:

Complete and submit a Petition to Import for Transformation or Destruction if your company intends to import in transformation or destruction. Submission of a petition is required at least 30 days before the shipment is to be imported. Section 4 must also be completed if your company intends to have an intermediary company perform the transformation; if not, Section 4 may be left blank.

EPA may request additional information or ask follow up questions to verify the accuracy of this submission under section 114 as authorized under the AIM Act.

American Innovation and Manufacturing (AIM) Act Petition to Import for Transformation or Destruction

Worksheet Instructions:

Complete and submit a Petition to Import for Transformation or Destruction if your company intends to import a substance for transformation or destruction. Submission of a petition is required at least 30 days before the importation of the substance prior to submission. Section 4 must also be completed if your company intends to have an intermediate transformation; if not, Section 4 may be left blank.

EPA may request additional information or ask follow up questions to verify the accuracy of this section 114 as authorized under the AIM Act.
