Should the description of technologies and actions taken to minimize emissions of regulated substances be treated as confidential business information (CBI)?

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (5 CFR 101.11.6). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing the burden, to Washington Field Office, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Avenue, NW, Washington, DC 20460. Also send the completed form to this address.
