

## American Innovation and Manufacturing (AIM) Act Hydrofluorocarbon (HFC) Transshipment Notification

**Worksheet Instructions:**

Complete this reporting form if your company has or intends to tranship HFCs through the United States. To notify imports into the United States as a transshipment, complete Section 2. To notify EPA that the shipment was exported, complete Section 3. This form may only be used to notify EPA of either an upcoming import or a completed export.

**Version:**

r0.2

**Updated:**

7/2/2025

EPA may request additional information or ask follow up questions to verify the accuracy of this submission and supporting documentation, including pursuant to Clean Air Act section 114 as authorized under the AIM Act.

### Section 1 - Company Identification

Instructions: Complete the following company information.

|                  |  |
|------------------|--|
| Company Name:    |  |
| Company ID:      |  |
| Importer Number: |  |

|                                                                                                                       |  |
|-----------------------------------------------------------------------------------------------------------------------|--|
| Is this a notification of a transshipment being imported into the United States or exported out of the United States? |  |
|-----------------------------------------------------------------------------------------------------------------------|--|

### Section 2 - Import Information

Instructions: Provide the following information for each shipment of an HFC that is to be transhipped through the United States. Provide information at least 10 working days before the shipment is to leave the foreign port of export for importation into the United States.

| Transshipment Import Information  |                                               |                                                |
|-----------------------------------|-----------------------------------------------|------------------------------------------------|
| 1                                 | 2                                             | 3                                              |
| Vessel Name<br>§84.31(c)(3)(i)(D) | Expected Year of Import<br>§84.31(c)(3)(i)(D) | Expected Month of Import<br>§84.31(c)(3)(i)(D) |
|                                   |                                               |                                                |

| HFC Transshipment Information               |                                |                                                    |

### Section 3 - Export Information

Instructions: Provide the following information for each shipment of an HFC that has been transhipped when it is exported from the United States. The notification is required within 10 working days after the shipment is exported from the United States.

| Transhipment Export Information    |                                       |
|------------------------------------|---------------------------------------|
| 1                                  | 2                                     |
| Vessel Name<br>§84.31(c)(3)(ii)(C) | Date of Export<br>§84.31(c)(3)(ii)(C) |

| HFC Transhipment Information                 |                                 |                                                     |
|----------------------------------------------|---------------------------------|-----------------------------------------------------|
| 1                                            | 2                               | 3                                                   |
| HFC to be Transhipped<br>§84.31(c)(3)(ii)(A) | HTS Code<br>§84.31(c)(3)(ii)(A) | Quantity Transhipped<br>(kg)<br>§84.31(c)(3)(ii)(A) |
|                                              |                                 |                                                     |
|                                              |                                 |                                                     |
|                                              |                                 |                                                     |
|                                              |                                 |                                                     |

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB information are mandatory (40 CFR 84.31). An agency may not conduct or sponsor, and a person is not required to provide, information that has no currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to Washington Headquarters Service, Paperwork Project (0182-0047), U.S. Environmental Protection Agency, Washington, DC 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
