Title: Application for Extended Care Services (VA Form 10–10EC).

OMB Control Number: 2900–0629
<https://www.reginfo.gov/public/do/PRASearch>.

Type of Review: Revision of a currently approved collection.

Abstract: Title 38 U.S.C. chapter 17 authorizes VA to provide hospital care, medical services, domiciliary care, and nursing home care to eligible Veterans. Title 38 U.S.C. 1705 requires VA to design, establish, and operate a system of annual patient enrollment in accordance with a series of stipulated priorities. A consequence of this is that many groups of Veterans who are in a lower priority group (WWI Veterans, Veterans with disabilities rated as 0% service-connected seeking treatment for other than their service-connected conditions, Veterans exposed to a toxic substance, radiation, or environmental hazard and nonservice-connected Veterans) may request that they be allowed to be income tested in order to gain a higher priority. Title 38 U.S.C. 1722 establishes eligibility assessment procedures for cost-free VA medical care, based on income levels, which will determine whether nonservice-connected and 0% service-connected non-compensable Veterans are able to defray the necessary expenses of care for nonservice-connected conditions. Title 38 U.S.C. 1722A establishes the eligibility assessment procedures, based on income levels, for determining Veterans’ eligibility for cost-free medications. Title 38 U.S.C. 1710B

defines the procedures for establishing eligibility for cost-free Extended Care benefits. Title 38 U.S.C 1729 authorizes VA to recover from Veterans’ health insurance carriers the cost of care furnished for their nonservice-connected conditions.

VA Form 10–10EC, Application for Extended Care Services, is used to collect financial information necessary to determine a Veteran’s copayment obligation for extended care services, also known as long term care (LTC). The 10–10EC design has been revised to clarify the instructions and make it easier to understand and complete the form. However, there are no changes to the anticipated annual number of responses or burden hours for this information collection.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published at 89 FR 105177, December 26, 2024.

Affected Public: Individuals or Households.

Type of Review: Revision of a currently approved collection.

Abstract: VHA Directive 1909 provides policy for the VA Health Eligibility Center (HEC) Income Verification (IV) Program under authority of 38 United States Code (U.S.C.) 1722; 38 U.S.C. 5317. Title 38 U.S.C. 1722 established eligibility assessment procedures, based on income levels, for determining whether nonservice-connected (NSC) Veterans and non-compensable zero percent service-connected (SC) Veterans, who

have no other special eligibility, are eligible to receive VA health care at no cost. Title 26 U.S.C. 6103 (l)(7) of the Internal Revenue Code and 38 U.S.C. 5317 establish authority for VA to verify Veterans' gross household income information against records maintained by the Internal Revenue Service (IRS) and Social Security Administration (SSA) when that information indicates the Veteran is eligible for cost-free VA health care.

This information collection is necessary for HEC's Income Verification Division (IVD) to verify the income of Veterans and spouses. It consists of VA Forms 10-301, 10-302, 10-303 and 10-304. HEC IVD sends Veterans, and their spouses, individual letters and forms to confirm income information reported by IRS and SSA. HEC does not change the Veteran's copay status until information supplied by IRS and SSA has been independently verified, either by the Veteran or through appropriate due process procedures. This collection has been revised by removing VA Form 10-302A because all relevant information can be reported on VA Form 10-302. There is a reduction in the burden hours due to the removal of VA Form 10-302A from the collection.

Affected Public: Individuals and households.

Estimated Annual Burden: Total hours = 48,338 hours.

10-301—27,948 hours.

10-302—5,679 hours.

10-303—42 hours.

10-304—14,669 hours.

Estimated Average Burden per Respondent:

10-301—30 minutes.

10-302—20 minutes.

10-303—15 minutes.

10-304—20 minutes.

Frequency of Response: Once annually.

Estimated Number of Respondents: Total Respondents = 117,109.

10-301—55,896.
