An Agency of the United States Government

Responses to questions which call for estimates or projections should take the form of good faith statements made to the best of the Project officer's knowledge and belief. Anyone who knowingly makes a false statement with the intent to influence DFC's guarantees, loans, or other investments may be criminally prosecuted. Such false statements are also grounds for DFC to terminate a commitment or declare a contract default. These rights are in addition to any other rights or remedies available to United States government. Neither submission nor acceptance of this application implies that the proposed transaction is eligible for support or that support will be provided.

Paperwork Reduction Act Notice: This information is required to retain benefits. Federal agencies may not collect information unless a valid OMB Control Number with an expiration date that has not expired is displayed. The public reporting burden for this collection of information is estimated to average 2.0 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspects of this collection of information, including suggestions for reducing this burden, to Agency Clearance Officer, Records Management, United States International Development Finance Corporation 1100 New York Ave., NW, Washington, DC 20527 and to the DFC Desk Officer at the Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10202, Washington, D.C. 20503.

☐ I have read and agree to the terms and conditions listed above.

1. PROJECT DESCRIPTION AND OWNERSHIP PROFILE

The questions in this section will ask for background and descriptive information about the Project and the company managing the Project (i.e., the DFC client company). For the purposes of the DOS, Project generally refers to a specific project or portion of a client's business that is supported by DFC and defined in the client's contract with DFC. More specifically:

- For project finance, "Project" refers to a specific project supported by DFC. This definition includes standalone greenfield or brownfield projects (e.g., wind turbine farm) as well as projects undertaken by operating enterprises (e.g., expansion of manufacturing facilities).
- For corporate finance, "Project" refers to an enterprise that received DFC support to grow and/or sustain its business activities (e.g., working capital, refinancing, etc.).
- For enterprises engaged in the provision of financial services, "Project" refers to the portfolio of financial product(s) (e.g., loans, equity investments, leasing contracts, insurance contracts, etc.) supported by DFC.

If you are not sure about what to consider as the Project for this survey, please contact dos@dfc.gov.

- Health and well-being: Initiatives implemented to support the health and well-being needs of men and women in the workforce.
- Protection: Advanced programs or policies implemented that address and prevent violence and harassment toward women beyond basic safeguarding.
- Other

- [IF Q303 includes "Other"] **Q303A** Please describe. (OPEN-ENDED)

Q304 During the Reporting Period, did the Project or company managing the Project have any of the following workplace initiatives in place? (Please select all that apply.) [MULTI-SELECT]

- Active union or collective bargaining agreement
- Written employment contracts for all staff
- Training and professional development opportunities

Q305 Has the Project experienced worker layoffs during the Reporting Period? Please only include layoffs that were part of workforce reductions for business reasons, rather than workers let go for performance reasons. (SELECT ONE: Yes / No)

- [IF Q305=YES, ASK] **Q305A** How many workers were laid off? (NUMBER)

Q306 Does the Project expect any significant changes to the workforce in the next year (i.e., layoffs/demobilization, increase in contracted workers, re-organization)? (SELECT ONE: Yes / No)

4. PROJECT OPERATIONAL EMPLOYMENT

The questions in this section will ask about local Project employees (i.e., nationals of the country or countries of operations) at the end of the Reporting Period, including full-time, part-time, seasonal, and contract employees. We will ask several detailed questions about the staff you currently employ so you may need to refer to your employment records to answer questions in this section.

If the Project is an investment fund, please report the number of staff of the fund itself. Please do NOT include employment facilitated through an online or other matchmaking/peer-to-peer platform in this table. If the Project does not yet have any employees, or no longer has employees, please enter “0”.

Q401

	Full-Time Local Employees (non-construction)	Part-Time Local Employees (non-construction)	Temporary/Seasonal Local Workers (non-construction)	Temporary/Seasonal Local Workers (construction)
Total				
Women				
Young adults (15-24 years old)				
Other groups (not included in Women or Young adults)				

- [IF any fields for “Part-Time Local Employees (non-construction)” >0, ASK] **Q401A** Approximately what proportion of a typical work week, on average, do the part-time local employees (non-construction) work (expressed as a percentage)? (PERCENTAGE)
- [IF any fields for “Temporary/Seasonal Local Workers (non-construction)” > 0, ASK] **Q401B** Approximately how many months, on average, did the temporary/seasonal local workers (non-construction) work during the Reporting Period? (MONTHS)
- [IF any fields for “Temporary Seasonal Local Workers (construction)” > 0, ASK] **Q401C** Approximately how many months, on average, did the temporary/seasonal local workers (construction) work during the Reporting Period? (MONTHS)

Q402 How many full-time Senior Managers were employed by the Project at the end of the Reporting Period? (NUMBER)

- [IF Q402>0, ASK] **Q402A** Of these full-time Senior Managers, how many are women? (NUMBER)

Q403 Did the Project employ any disabled people from the country or countries of operation at the end of the Reporting Period? (SELECT ONE: Yes / No)

- [IF Q403=YES, ASK] **Q403A** How many disabled employees from the country or countries of operations did the Project employ at the end of the Reporting Period? (NUMBER)

Q404 Did the Project facilitate employment through an online or other matchmaking/peer-to-peer platform (sometimes referred to as “gig economy”) during the Reporting Period? (SELECT ONE: Yes/No)

- [IF Q404=YES, ASK] **Q404A** How many of these jobs were facilitated during the Reporting Period?

Q405 Please provide the total amount, in U.S. Dollars, paid during the Reporting Period to Project employees in the country or countries of operations (total annual local payroll in U.S. Dollars). Do not include foreign nationals working on the Project. (DOLLARS)

5. PROJECT BENEFITS TO THE ENVIRONMENT

This section will ask about the Project’s environmental stewardship.

Climate Action: GHG Emissions

Q501 What are the greenhouse gas (GHG) emissions generated as a result of the Project’s activities during the Reporting Period? Please report in metric tons of carbon dioxide equivalent (CO2e) per year.

- **Q501A** Scope 1: (NUMBER)
- **Q501B** Scope 2: (NUMBER)
- [IF Q104=any response EXCEPT “Yes, investment fund”, ASK] **Q501C** Scope 3 GHG emissions (NUMBER)
- [If Q501=RESPONSE, ASK] **Q501D** Please provide an explanation of how the reported figures were calculated. (OPEN-ENDED)

Q502 What is the total amount of greenhouse gas (GHG) emissions sequestered by the Project during the Reporting Period? Please report in metric tons of carbon dioxide equivalent (CO2e) per year. (NUMBER)

- [IF 502=RESPONSE, ASK] **Q502A** Please provide an explanation of how the reported figure was calculated. (OPEN-ENDED)

Q503 What is the total amount of greenhouse (GHG) emissions avoided by the Project during the Reporting Period? Please report in metric tons of carbon dioxide equivalent (CO₂e) per year. (NUMBER)

- [IF 503=RESPONSE, ASK] **Q503A** Please provide an explanation of how the reported figure was calculated. (OPEN-ENDED)

Q504 Did the Project register carbon credits to a carbon credit registry? (YES/NO)

- [IF Q504=YES] **Q504A** What is the total amount of carbon credits registered by the Project during the Reporting Period? Please report in metric tons of CO₂e. (NUMBER)
- [IF Q504=YES] **Q504B** Please identify the carbon credit registry to which the credits were registered. (OPEN-ENDED)
- [IF Q504=YES] **Q504C** What is the total amount of carbon credits retired or sold by the Project during the Reporting Period? Please report in metric tons of CO₂e. (NUMBER)

Q505 Did the Project support customers or suppliers to adapt to or become more resilient to the impacts of climate change? (SELECT ONE: Yes/No)

- [IF Q505=YES, ASK] **Q505A** How many clients, customers or suppliers did the Project support during the Reporting Period? (NUMBER)
- [IF Q505=YES, ASK] **Q505B** Please identify how the Project supported clients, customers, or suppliers to adapt or become more resilient to the impacts of climate change. (Please select all that apply.) [MULTI-SELECT]
 - Reduced crop (or post-harvest) loss
 - Reduced flooding risk
 - Improved drought resilience
 - Improved access to climate information (e.g., early warning systems, weather data, climate projections)
 - Improved resilience of residential buildings
 - Improved resilience of office buildings or manufacturing facilities
 - Increased access to safe drinking water
 - Increased adoption of water-efficient practices (e.g., energy-efficient irrigation)
 - Other
- [IF Q505B includes "Other", ASK] **Q505C** Please describe.

Ecosystems

Q506 Did the Project or the company managing the Project (i.e. the client company) take any actions to conserve, preserve, and/or restore terrestrial or aquatic ecosystems through sustainable resource management practices? (SELECT ONE: Yes / No)

- [IF Q506=YES, ASK] **Q506A** Area of land directly controlled or supported by the Project under sustainable management during the Reporting Period. Please report in hectares of land sustainable managed. (NUMBER)
- [IF Q506=YES, ASK] **Q506B** Area of ocean or other marine habitat directly controlled or supported by the Project under sustainable management during the Reporting Period. Please report in square kilometers. (NUMBER)

Responsible Consumption

Q507 What was the Project's energy consumption during the Reporting Period, expressed in (kWh)? (NUMBER)

Q508 Volume of waste produced, expressed in metric tons. (NUMBER)

Q509 Volume of waste disposed that was recycled or reused, expressed in metric tons. (NUMBER)

Q510 Volume of waste avoided, expressed in metric tons. (NUMBER)

6. BUSINESS INNOVATION AND TECHNICAL ASSISTANCE

The information in this section will ask about the Project's support for innovation and provision of technical assistance. For investment funds answering the following questions, please consider investments made by the fund in portfolio companies and the impacts of those investments.

Q601 If applicable, what is the Project's target population? (Please select all that apply.) [MULTI-SELECT]

- Women-owned/women-led enterprises
- Small and medium enterprises (SMEs)
- Microenterprises
- Women
- Young adults (15-24 years old)
- Rural populations
- Smallholder farmers
- Low-income populations
- Disabled populations
- Other group(s) not included above

- [IF Q601 includes "Other group(s)", ASK] **Q601A** Describe the other group(s) the Project is targeting.

Q602 During the Reporting Period, how has the Project incorporated the needs and preferences of target populations in the design and delivery of products and services? (Please select all that apply.) [MULTI-SELECT]

- The Project has added or adjusted product or service offerings to meet its target populations' needs and preferences.
- The Project designed its pricing models according to its target populations' ability to pay.
- The Project adjusted its operational and/or expansion strategy to better reach its target populations.
- The Project has not yet adapted the design of its products and services according to its target populations' needs and preferences.
- Other.

- [If Q602 includes any selection except for "The Project has not yet adapted the design of its products and services according to its target populations' needs and preferences.", ASK] **Q602A** Please describe how the Project has incorporated the needs and preferences of target populations in the design and delivery of products and services. (OPEN-ENDED)

Q603 Did DFC's support contribute to the production of goods during the Reporting Period? (SELECT ONE: Yes/No)

- [If Q603=YES, ASK] **Q603A** Please list and describe the DFC-supported products produced during the Reporting Period.

Description of product	Unit (e.g., product type)	Number of products produced

Q604 Did DFC's support contribute to the sale of products during the Reporting Period? (SELECT ONE: Yes/No)

- [If Q604=YES, ASK] **Q604A** Please list and describe the DFC-supported products sold during the Reporting Period.

Description of product	Unit (e.g., product type)	Number of products sold

Q605 Did DFC's support contribute to the distribution of products during the Reporting Period? (SELECT ONE: Yes/No)

- [If Q605=YES, ASK] **Q605A** Please list and describe the DFC-supported products distributed during the Reporting Period.

Description of product	Unit (e.g., product type)	Number of products distributed

--	--	--

Q606 Did DFC's support contribute to the storage of products during the Reporting Period? (SELECT ONE: Yes/No)

- [If Q606=YES, ASK] **Q606A** Please list and describe the DFC-supported products stored during the Reporting Period.

Description of product	Unit (e.g., product type)	Number of products stored

Q607 Did the Project introduce or disseminate an innovation leading to any of the following benefits during the Reporting Period? (Please select all that apply.) [MULTI-SELECT]

- Reducing prices to customers
 - Time saved by customers, clients, or other target stakeholders
 - Improved access to quality information
 - Improved accessibility to product or service
 - Increasing prices paid to producers
 - Other
- [IF 'Reducing prices to customers' is checked, ASK] **Q607A** What was the average percentage savings premium to customers accessing the innovative product or service during the Reporting Period? (PERCENTAGE)
 - [IF 'Time saved by customers' is checked, ASK] **Q607B** How many hours were saved by the average customer as a result of the Project's products or services during the Reporting Period (HOURS)?
 - [IF 'Increasing prices paid to producers' is checked, ASK] **Q607C** What was the average percentage premium paid to producers due to the product or service innovation during the Reporting Period? (PERCENTAGE)
 - [IF any fields in Q607 are checked, ASK] **Q607D** Please describe. (OPEN-ENDED)

Q608 During the Reporting Period, did the Project increase its market share? (SELECT ONE: Yes / No)

- [IF 608=YES, ASK] **Q608A** Please estimate the percent increase in market share gained by the Project during the Reporting Period. (PERCENTAGE)

Q609 Did the Project provide advisory services (such as training, advice, or technical assistance designed to improve business performance) to customers, suppliers, or investees during the Reporting Period? (SELECT ONE: Yes / No)

- [IF Q609=YES, ASK] **Q609A** How many customers, suppliers, or investees did the Project provide advisory services to during the Reporting Period? For investees, please include those for whom a Project representative had an active role on the investee Board. (NUMBER)
- [IF Q609=YES, ASK] **Q609B** How much money (U.S. Dollars) was spent on advisory services for customers, suppliers, or investees during the Reporting Period? (DOLLARS)

7. PROCUREMENT AND TAXES

This section will ask about different ways that the Project has an impact on the economy.

Q701 Please enter the total dollar amount (in U.S. Dollars) spent by the Project on goods and services procured in the country or countries of operations during the Reporting Period. (DOLLARS)

- [IF Q701>0, ASK] **Q702** How many local suppliers did you purchase goods and services from during the Reporting Period? (NUMBER)
- [IF Q701>0, ASK] **Q703** How many of these local suppliers are women-owned or women-led enterprises? (NUMBER)
- [IF Q701>0, ASK] **Q704** How many of these local suppliers are microenterprises? (NUMBER)
- [IF Q701>0, ASK] **Q705** How many of these local suppliers are SMEs? (NUMBER)
- [IF Q701>0, ASK] **Q706** How many local suppliers are smallholder farmers? (NUMBER)
- [IF Q701>0, ASK] **Q707** How many local suppliers are owned or led by populations not included in above categories? (NUMBER)
 - o [If Q707>0, ASK] **Q707A** Please describe the population not included in above categories.

Q708 During the reporting period, which of the following efforts has the Project implemented to support women in its supply chain? (Please select all that apply.) [MULTI-SELECT]

- Diversity: Explicit efforts to increase the share of women-owned or -led suppliers in the Project's supply chain
- Equal pay: Capacity building or other support to suppliers in order to address pay gap(s) in the Project's supply chain between men and women
- Equal care: Capacity building or other support to suppliers in order to inform policies that assist supply chain workers with their care responsibilities
- Health and well-being: Capacity building or other support to suppliers in order to inform measures that meet the health and well-being needs of men and women as supply chain workers
- Other
- None of the above

- [IF Q708A includes “Other”, ASK] **Q708A** Please describe. (OPEN-ENDED)

Q709 Please enter the total dollar amount (in U.S. Dollars) spent by the Project on goods and services procured from the United States during the Reporting Period. (DOLLARS)

Q710 Please enter the total dollar amount (in U.S. Dollars) spent by the Project on goods and services procured from any other countries (i.e., not the United States, and not the country or countries of operations) during the Reporting Period. (DOLLARS)

Q711 Please enter the total dollar amount (in U.S. Dollars) paid by the Project to the government of the country or countries of operations in taxes, royalties, concessions, or other fees during the Reporting Period. (DOLLARS)

8. REVENUE AND EXPORTS

This section will ask a few questions about the revenue and exports of the Project during the Reporting Period.

Q801 What was the gross revenue for the Project during the Reporting Period? Please express in U.S. Dollars. (DOLLARS)

Q802 How much of the Project's revenue during the Reporting Period came from sales in the country or countries of operations? Please express in U.S. Dollars. (DOLLARS)

Q803 How much of the Project's revenue during the Reporting Period came from exports to the United States? Please express in U.S. Dollars. (DOLLARS)

Q804 How much of the Project's revenue during the Reporting Period came from exports to countries other than the United States? Please express in U.S. Dollars. (DOLLARS)

9. SECTOR-SPECIFIC METRICS

IF Q104 does not = “Yes, investment fund” then ask Section 9.]

The questions in this section will ask about your results for the specific sectors on which the Project focused during the Reporting Period. For each sector, we will ask for information about services provided and the number of people who benefit from these services.

NOTE: Projects will only answer questions for the sectors selected in Section 1.

AGRICULTURE SECTOR [IF Q105A=YES, ASK Q901-Q903]

Please only report data for the Reporting Period.

Q901 Average annual yield from this Project during the Reporting Period, expressed in tons per hectare. (NUMBER)

Q902 Number of agricultural producers or suppliers with increased income. (NUMBER)

Q903 Percentage of post-harvest loss experienced. (PERCENTAGE)

EDUCATION SECTOR [IF Q105B=YES, ASK Q904-Q907]

Please only report data for the Reporting Period.

Q904 Total number of students enrolled. (NUMBER)

Q905 Number of women/girl students enrolled. (NUMBER)

Q906 Number of students enrolled who are from low-income households. (NUMBER)

Q907 Number of students enrolled who are from other backgrounds, as described in Q601A. (NUMBER)

ENERGY SECTOR [IF Q105C=YES, ASK Q908-Q916]

Please only report data for the Reporting Period.

Q908 Amount of non-renewable energy produced, expressed in gigawatt hours (GWh). (NUMBER)

Q909 Amount of renewable or low-carbon energy produced, expressed in gigawatt hours (GWh). (NUMBER)
[IF Q909=RESPONSE, ASK] **Q909A** What type of renewable or low-carbon energy was produced?

- Biomass
- Geothermal
- Hydro energy
- Nuclear
- Solar

- Wind
- Other (Write-in)

Q910 Number of on-grid connections:

- For households (NUMBER)
- For businesses (NUMBER)

Q911 Number of off-grid power systems installed:

- For households (NUMBER)
- For businesses (NUMBER)

Q912 Energy capacity installed (expressed in MW). (NUMBER)

Q913 Energy storage capacity (expressed in MWh). (NUMBER)

Q914 Length of energy transmission and/or distribution lines built or improved, expressed in kilometers. (NUMBER)
