FOR FURTHER INFORMATION CONTACT:

Daniel O'Connell, Special Counsel, Division of Clearing and Risk, Commodity Futures Trading Commission, (202) 418-5583; email: doconnell@cftc.gov, and refer to OMB Control No. 3038-0104.

SUPPLEMENTARY INFORMATION:

Title: Clearing Exemption for Swaps Between Certain Affiliated Entities (OMB Control No. 3038-0104). This is a request for an extension of a currently approved information collection.

Abstract: Section 2(h)(1)(A) of the Commodity Exchange Act requires certain entities to submit for clearing certain swaps if they are required to be cleared by the Commission. Commission regulation 50.52 permits certain affiliated entities to elect not to clear inter-affiliate swaps that otherwise would be required to be cleared, provided that they meet certain conditions. The rule further requires the reporting of certain information if the inter-affiliate exemption from clearing is elected. The Commission will use the information described in this collection and reported pursuant to Commission regulation 50.52 to monitor the use of the inter-affiliate exemption from the Commission's swap clearing requirement and to assess any potential market risks associated with such exemption.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.² On November 25, 2024, the Commission published in the **Federal Register** notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 89 FR 92908 ("60-Day Notice"). The Commission did not receive any

relevant comments on the 60-Day Notice.

Burden Statement: The Commission is revising its estimate of the burden for this collection for counterparties to swaps between certain affiliated entities that elect the inter-affiliate exemption under Commission regulation 50.52. The respondent burden for this collection is estimated to be as follows:

Estimated Number of Respondents: 478.

Estimated Average Burden Hours per Respondent: 1 hour.

Estimated Total Annual Burden Hours: 478 hours.

Frequency of Collection: Annually; on occasion.

There are no capital costs or operating and maintenance costs associated with this collection.

(Authority: 44 U.S.C. 3501 *et seq.*)

Dated: January 28, 2025.

Christopher Kirkpatrick,

Secretary of the Commission.
