Annual Report Instructions

1. **Grantee Information** – Enter text in each line, and a phone number in (000) 000-0000 format. Zip codes should be entered as 5-digit numbers. Select the options that apply for each dropdown menu.
2. **Organization POCs** – Enter contact information only if this has changed since the last report or application.
3. **Project Information** – Please ensure that this information is entered consistently across the application and following reports.
4. **Programmatic Mission Areas Addressed** – Select the two that best apply.
5. **Participants served this reporting period** – The total number of participants served this reporting period should be entered on the top line, and the number of participants in each subsequent category. The number of participants in each category is not expected to sum to the total number of participants, as participants may exist among more than one category.
6. **Project Detailed Report** - Please provide a narrative describing your work on the project during this report period. This could include, but is not limited to, actions taken toward the activities listed below, staff hired, or purchases made.
7. **Activities, Outputs, and Outcomes** – Please respond with the details for this reporting period. Reports may consist of new information about activities previously reported on. For example, if an activity took place in Year 1, but the organization has new information about outcomes for that activity, they should submit that information at the next reporting period. In that case, select “Yes” for “Have you reported on this activity before?” Organizations must report on each output category. If the category does not apply to your activity, you may enter 0. Organizations should report in at least one, but not more than two, outcome categories for each activity.

Activity Remarks should include any relevant details about the activity, its efficacy, and conditions affecting its success. For example, you would report if an event was poorly attended or postponed due to rain, or if an activity had many more attendees than expected.

8. **Outcome Remarks** – In this section organizations should discuss how their outcomes during this reporting period aligned with their expectations, what may have caused any discrepancies, and what actions might be taken in the future based on these outcomes.
9. **Barriers to Participation** – Please describe the barriers you have encountered in trying to increase participation by SDVFRs. Discuss how your activities/programs attempted to address those barriers. Indicate to what extent you were successful in overcoming any barriers or problems.
10. **Challenges and other developments** - Please list any challenges encountered during this report period and any proposed or enacted corrective

actions. If there are any developments that may lead to changes in the project, please list those here.

11. **Upcoming Activities** – Please enter details about activities expected during the next reporting period.
12. **Federal Project Expenditures** – Expenditures should be expressed in the nearest whole-dollar amount for both this reporting period and the project to-date.
13. **Discussion of Expenditures** – Please provide a summary of the monies spent and how they were spent. Include discussion of any discrepancies from the approved budget.
14. **Program Income** – Income should be expressed in the nearest whole-dollar amount for both this reporting period and the project to-date.
15. **Use of Program Income** - Please provide a summary of the ways that program income has been utilized.
16. **Certification** – This report should be signed and certified by your organization's Authorized Representative or Project Manager listed in your Key Contacts form.
