If any key official is affiliated with another organization in any capacity, describe the relationship.			
6. STATEMENT OF PURPOSES AND POWERS - If appropriate to the type of organization, provide the Articles of Incorporation and By-Laws. A partnership should provide the partnership agreement that shows ownership and control requirements. An LLC should provide Articles of Organization and any amendments and Operating Agreement and any amendments.			

7. FINANCIAL INFORMATION

- a. On a separate sheet, describe the policies and procedures of your organization's internal controls for the administration and financial management of the project for which USDA assistance is being requested. This should include details of your cost accounting system and auditing arrangements. Reference the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards found at 2 CFR Part 200.
 - i. Provide information on how your accounting system adequately identifies receipts and expenditures for each grant or contract and whether a unique general ledger account has been established to capture/accumulate the costs of NIFA's grant apart from other grants and cost centers.
 - ii. Describe how your accounting system provides for recording of expenses for each program by budget cost category.
 - iii. Describe how time and effort reporting records are maintained for salary expenditures charged to NIFA and other grants. Are time sheets or other time distribution records maintained for each employee to account for 100 percent of their work hours?
- b. If your organization is other than a college or university or a state or local government, attach:
 - i. Certified financial records for the preceding two years consisting of audit reports prepared by a CPA or year-end balance sheets and income statements. Tax returns are not acceptable.

- c. If indirect costs are requested under this proposal, submit a copy of the current Negotiated Indirect Cost Rate Agreement (NICRA) from the cognizant Federal agency. Organizations that do not have a current negotiated rate, may elect the de minimis rate (2 CFR 200.414). Billing rates will be evaluated by NIFA to ensure that unallowable costs, such as IR&D are not included in the cost pools. If unallowable costs are discovered, NIFA will offer an adjusted rate. If a recipient has no NICRA but possesses an active award from another Federal agency that includes a safe rate, that rate may be considered for match by NIFA. Any of the previously mentioned rates must be active, not expired.

8. SBIR OR STTR AWARDEES - Complete and sign the Funding Agreement Certification provided with this form and return with other requested documentation.
