Survey of Animal Health Officials Completing VMLRP Veterinarian Shortage Nomination Form &

National Institute of Food and Agriculture USDA

Survey of Animal Health Officials Completing VMLRP Veterinarian Shortage Nomination Form OMB No. 0524-0050

Form Approved For Use through XX/XX/XXXX

The USDA National Institute of Food and Agriculture Veterinary Medicine Loan Repayment Program (VMLRP) seeks information from State Animal Health Officials (SAHOs) to evaluate and improve services provided to our stakeholders. SAHOs are an essential stakeholder group for VMLRP. We anticipate this survey taking 20 minutes.

Public reporting for collection of information is estimated to average 15 minutes, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to NIFA, OGFM, 2312 East Bannister Road, Mail Stop 10,000, Kansas City, MO 64131, Attention Policy Section. Do not return the completed form to this address.

* Required
