The valid OMB number is 0535-0003. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

The Department of Agriculture collects and publishes information on prices received by farmers for rice. This information is used for estimation of farm income, determination of government program payments, in the computation of the gross national product and for price studies and analysis of returns from various crops.

August 2023

Instructions: (Patronage Pools)

Report the equivalent rough rice quantity of milled rice shipped in question 1. Exclude cash purchases that are milled as cash purchases. These purchases are to be reported in question 3.

Report rough rice shipped without milling in question 2.

Exclude return and expenses from processes which materially affect the form of the product such as parboiling or income from sales of items other than rice.

In the case of prices reported in questions 1 and 2-- Begin with the value of milled or rough rice shipped or sold, than adjust by the following to reflect the price of dry rough rice at first point of sale.

Items to be **DEDUCTED** from reported price:

- Handling, processing (milling), transportation, and marketing charges from co-op acquisition until product (milled or rough) is sold
- Interest expenses
- Losses from hedging
- Storage costs
- Government payments (i.e. loan deficiency payments [LDP] and marketing loan gains [MLG])
- Income or dividends from capital investment

Items **NOT TO BE DEDUCTED** from reported price:

- Interest income
- Gains from hedging
- Storage income
- Capital retains from rice marketings
- Producer check-off fees (if any)
- Transportation costs prior to Cooperative acquisition
