ToC for OMB Control No. 0607-0971 (GenIC) - 2025 Census Household Survey on Two-Factor Authentication
Friday, January 17, 2025 1:52:00 PM

The 2025 Census Household Survey (OMB Control No. 0607-0971), to conduct research about the use of two-factor authentication processes, is approved with the following Terms of Clearance:

The Census Bureau will present results to the Interagency Council on Statistical Policy within six months from the close of data collection. Additionally, the Census Bureau will ensure that metadata associated with data assets obtained under this ICR are entered into the Census Bureau's comprehensive data inventory and comply with all requirements of [OMB Memorandum M-25-05, Phase 2 Implementation of the Foundations for Evidence-Based Policymaking Act of 2018: Open Government Data Access and Management Guidance](#).

All the best,
Bev
