Instrument 2a. Healthy Marriage Youth Participant Demographic Survey

2024

THE PAPERWORK REDUCTION ACT OF 1995

This collection of information is voluntary and will be used to provide the Administration for Children and Families with information to help refine and guide performance measure development in the area of healthy marriage and responsible fatherhood. Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number and expiration date for this collection are OMB #: 0970-0630, Exp: 03/31/2027. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to [insert study point of contact].

YOUTH SURVEY: Thank you for your interest in this research study. We want your feedback on surveys that you have recently taken or will soon take. These surveys are used by the Administration for Children and Families (ACF) and programs to improve healthy marriage and relationship education programs for youth.

This survey will take about 5 minutes and will ask you some questions about yourself. Taking part in this study is completely voluntary, which means you can choose to do this or choose not to and there are no consequences if you choose not to.

You do not have to answer any questions that you are not comfortable with. You can also stop at any time. The information from these questions will help us understand who participated in the study.

Your name and any identifiable information will not be reported on an individual level. Your answers to these questions will not be shared with your parents or guardians, teachers, or anyone outside of our research team.
