

Instrument 1: ANA Grantee Opinion Survey on Artificial Intelligence (AI)

How are you feeling about AI right now?

- a) Very Optimistic
- b) Cautiously Optimistic
- c) Neutral
- d) Somewhat Pessimistic
- e) Very Pessimistic
- f) I do not know what Artificial Intelligence is...

Possibilities for AI Use

What, if any, are ways you think Artificial Intelligence could be used by Tribal governments and other Tribal organizations?

[Select all you think are appropriate.]

- a) Support preservation of native languages
- b) Improve efficiency and reduce administrative burden
- c) Enhance decision-making and service delivery
- d) Provide more personalized services to clients
- e) Improve accuracy and reduce errors
- f) Other uses not listed above [fill text]
- g) No uses
- h) Don't know

Concerns about AI Use

What is your greatest concern about use of Artificial Intelligence as a Tribal government or Tribal organization?

- a) Data privacy and security
- b) Potential bias and fairness issues
- c) Loss of personal interaction with clients
- d) Too much reliance on technology
- e) Risk of technical failures
- f) Cost to continue operating, monitoring, and optimizing AI systems
- g) Other concerns not listed above [fill text]
- h) No concerns
- i) Don't know

Open-ended Questions

What are your thoughts and reflections about your Tribal communities using Artificial Intelligence?

(Short Form Response, multiple entries allow)

What kind of supports from ACF and HHS would you be interested in as your Tribal governments and Tribal organizations are exploring potential opportunities to use Artificial Intelligence?

(Short Form Response, multiple entries allow)

Do you have any other thoughts you want ACF to know / consider about on Artificial Intelligence and Tribal communities?

(Short Form Response, multiple entries allow)

PAPERWORK REDUCTION ACT OF 1995 (Public Law 104-13) STATEMENT OF PUBLIC BURDEN: Through this information collection, ACF is gathering information from its Tribal grantee partners to gain and share out insights around the use of AI in the Tribal context. Public reporting burden for this collection of information is estimated to average 5 minutes per grantee, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0630 and the expiration date is 3/31/2027. If you have any comments on this collection of information, please contact the ACF AI Team at ai@acf.hhs.gov.
