

## Instrument 2. Breakout Room Session Questionnaire

Thank you for agreeing to participate in our convening on early care and education (ECE) apprenticeships taking place virtually on [insert date and time of the convening]. To gather your input during the meeting, we will have two breakout sessions. These sessions are an opportunity for you to share your thoughts, insights, and experiences about priorities for future research on ECE apprenticeships.

Please indicate your preference for each breakout session by completing this very brief questionnaire. We will do our best to accommodate your preferences in a way that ensures diversity in representation across the breakout rooms.
