Monthly Performance Indicator Report

The monthly performance indicator report should summarize the period beginning on the first day of the preceding month and ending on the last day of the preceding month. The report should be submitted by the fifteenth day of the second month after activities have concluded. For example, the first monthly report for the FY 2023 fiscal year summarizes the period beginning 10/1/2022 and ending 10/31/2022 and, the report should be submitted to OTIP no later than 12/15/2022.

Human Trafficking Emergency-Related Request and Referral Data

Data Element	Response Options	Operational Guidance
Grant Recipient	(text)	Record name of the organization submitting the grant report.
Reporting Period Start Date	mm/dd/yyyy	Record month, day, and year of the first day in the reporting period.
Reporting Period End Date	mm/dd/yyyy	Record month, day, and year of the last day in the reporting period.
Report Type	Monthly	Select type of report based upon frequency of submission.
Emergency-Related Service Requests	(number) - Emergency Shelter - Extraction - Transportation	Record the number of requests made for each emergency-related service during the reporting period.
Individual Referrals Provided	(number)	Record the number of individual referrals issued during the reporting period.
New Referral Partners Added to Referral Database	(number)	Record the number of new referral partners added to the referral database during the reporting period.
Referral Partners in the Referral Database	(number)	Record the total number of referral partners in the referral database at the close of the reporting
