In order to help the Office on Trafficking in Persons' National Human Trafficking Training and Technical Assistance Center (NHTTAC) better serve the field, we are reaching out to obtain your feedback. We will protect the privacy of your information in accordance with the Federal Privacy Act, and we will protect the confidentiality of your responses using procedures we have in place, including reporting all information in aggregate to avoid identifying information. Only members of the NHTTAC Evaluation Team have access to information that could identify respondents. If you have any questions about this survey or the evaluation, please contact [insert].

Please provide your email address to enable us to track your participation across NHTTAC offerings and your preferences/insights provided. You will be prompted to provide this same email address each time.

If you do not have an email address or prefer to use a unique identifier, create a username to be used and retained for future NHTTAC evaluations. Username example: Provide your two-digit birth month, first initial, and middle initial (e.g., 08JD)

In the questions beginning on page 2, we share competencies reflected in the [Insert NHTTAC T/TA type] goals and framework to establish (1) how important these competencies are to you, (2) changes in knowledge after going through [Insert NHTTAC T/TA type], and (3) changes in ability to apply skills after going through [Insert NHTTAC T/TA type]. We will ask you to rate importance of competencies, knowledge of competencies, and ability to apply skills related to competencies, on a scale from 1 (None) to 5 (High). Please use the following definitions to provide your ratings for importance, knowledge, and skills:

Importance of competencies:

- None: I am not aware of the competency and/or it is not applicable/important to my professional role.
- Very Low: This competency is important in very few aspects of my professional role.
- Low: This competency is important in some aspects of my work but not in most aspects of my professional role.
- **Medium:** This competency is important in many aspects of my professional role but not all aspects.
- **High:** This competency is important in nearly all aspects of my professional role.

Knowledge of competencies:

- **None:** I am not aware of the competency and/or have no knowledge of the competency.
- **Very Low:** I am aware of the competency, but I have little knowledge of the competency.
- Low: I understand some components of the competency but do not have a full understanding of most components.
- **Medium:** I understand most components of the competency.
- **High:** I have a full understanding of the competency.

Ability to apply skills related to competencies:

- None: I am not aware of the competency and/or have no ability to apply the competency.
- **Very Low:** I am aware of the competency, but I have little experience applying it in my professional role.
- **Low:** I can apply the competency in simple situations and require frequent guidance.
- Medium: I can apply the competency in somewhat difficult situations and require occasional guidance.
- High: I can apply the competency in considerably difficult situations and generally require little or no guidance.

Please rate the levels of importance, knowledge, and ability to apply skills for each of the following [Insert NHTTAC T/TA type] competencies:

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to enable NHTTAC to collect recipient and stakeholder feedback to improve NHTTAC's service delivery. The public reporting burden for this collection of information is estimated to average .43 hours per respondent, including the time for reviewing instructions, gathering and hand hand posted, and reviewing the collection of information. This is a voluntary collection of information. An agency may not a person is not required to respond to, a collection of information subject to the requirements of the Paperwork in 1995 unless it displays a currently valid OMB control number. If you have any comments on this collection of information, place of the Paperwork information in Team at NHTTACEval@icf.com or 9300 Lee Highway, Fairfax, VA 22031.
