Dear [PARTICIPANT NAME]:

Date

Thank you for agreeing to take part in the Next Generation of Enhanced Employment Strategies Project!

When you signed up for this study in [MONTH] [YEAR] through [NEXTGEN PROGRAM], you learned that we would contact you to take a survey. [In [MONTH], you took our first survey.] We are writing to invite you to take [this/the second] survey now. [Even though you already took the first survey, we would still like you to take this second survey/Even though you did not take the first survey, we would still like you take this second survey.] This study is being done by researchers at Mathematica for the U.S. Department of Health and Human Services. By taking part in this study, you will help policymakers and program staff better understand how to improve programs like [NEXTGEN PROGRAM].

[We have enclosed \$5 to thank you for participating.] When you complete the survey, we will [also] mail you a **[\$50/\$55] gift card** to thank you for your participation. You can use the gift card anywhere that accepts credit or debit cards.

The 50 minute survey will ask about your experiences including your use of employment services, your jobs, your health, and your receipt of benefits. Your responses to the questions are voluntary. You can skip any questions you do not want to answer, but we hope that you will answer as many questions as you can. We will protect your answers and privacy to the fullest extent under the law. To help us protect your privacy, we have a Certificate of Confidentiality from the National Institutes of Health, which prevents anyone from forcing us to release information about you, unless the release is requested by you.

To learn how to complete the survey online, please see the insert included with this letter. The survey is meant for only you to complete, so please keep your log-in information somewhere safe.

If you have any questions or would like to take this survey by phone, please call us toll-free at [TOLL-FREE NUMBER]. When you call, ask for [NAME], a survey worker at Mathematica. You can also send us an e-mail at [E-MAIL ADDRESS].

Thanks again for being a part of this study. We look forward to hearing from you soon!

Sincerely,

Shawn E. Marsh

Dear [PARTICIPANT NAME]:

Date

We recently contacted you about the Next Generation of Enhanced Employment Strategies Project, a study you joined [MONTHS] ago through [NEXTGEN PROGRAM]. This is an important study, and we'd like to explain it to you in more detail.

- Researchers at Mathematica are conducting this study for the U.S. Department of Health and Human Services.
- The purpose of the study is to learn about how employment programs help people.
- We will mail you a **[\$50/\$55] gift card** when you complete the survey. You can use the card anywhere that accepts credit or debit cards.
- The survey will take about **50 minutes**. We will keep your answers private to the fullest extent under the law. We won't use your name or any other identifying information when we report the results of our study.
- Even if you are not taking part in [NEXTGEN PROGRAM] now or never did, you are an important part of this study. We want to know how you're doing so we can better understand how to improve programs like [NEXTGEN PROGRAM].
- [Even though you already took the first survey, we would still like you to take this second survey. Your answers are important.]/ [Even though you did not take the first survey, we would still like you take this second survey.]

This is your chance to make a difference. We cannot replace you! To take the survey, please call us toll-free at [TOLL-FREE NUMBER] and ask for [NAME], a survey worker at Mathematica. You can reach us seven days a week, during the day and evening.

If you have any questions, we'd be happy to answer them. Just give us a call at [TOLL-FREE NUMBER]. We look forward to hearing from you!

Sincerely,

A handwritten signature in black ink, appearing to read 'Shawn Marsh', written in a cursive style.

[TOLL-FREE NUMBER]

Dear [PARTICIPANT NAME]:

Date

Thank you so much for recently completing a survey with Mathematica for the Next Generation of Enhanced Employment Strategies Project. We appreciate you sharing your experience.

Please accept this [\$50/\$55] gift card as a thank you for completing the survey. [IF REQUIRED: The gift card is valid for [FILL MONTHS] months.]

If you have questions about the gift card or your participation in this study, please call us toll-free at [TOLL-FREE NUMBER] and ask for [NAME], a survey worker at Mathematica. [IF REQUIRED: If you have moved recently or will move recently or have a new phone number, please give us a call and share this information so we can reach you in the future.] Thank you again for your participation.

Sincerely,

Shawn E. Marsh
Survey Director

Persons are not required to respond to this collection of information unless this survey displays a currently valid OMB control number (OMB 0970-0545, expires 04/30/2023). Responding to this questionnaire, which seeks to help the U.S. Department of Health and Human Services understand how employment-focused programs are serving individuals, is voluntary. Public reporting burden for the described collection of information is estimated to average 50 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Next Generation of Enhanced Employment Strategies Project

Study Participation Flyer

Thank you for agreeing to participate in the Next Generation of Enhanced Employment Strategies Project! Here's what you can look forward to as a study participant:

COMPLETE TWO UPCOMING SURVEYS (ONLINE OR BY PHONE)

- Regardless of which group the computer assigned you to when you visited [NEXTGEN PROGRAM], study researchers from Mathematica will contact you in about **[FOLLOW-UP 1 TIME PERIOD]** and **[FOLLOW-UP 2 TIME PERIOD]** to complete surveys online or by phone.
- The surveys should each take about 50 minutes. You will receive a **[\$50/\$55] gift card** after completing each survey.
- Responding to the surveys is voluntary, but your participation is important!

PARTICIPATE IN AN IN-PERSON INTERVIEW IF SELECTED

- You may be asked to participate in an in-person interview about your experiences with the program and employment more generally.
- It will take about two hours.
- You will receive a \$60 gift card after completing this interview.
- Participating in the interview is voluntary.

LET US KNOW IF YOU MOVE OR CHANGE YOUR CONTACT INFORMATION

- If you move or change your mailing address, telephone numbers, or email address, the study researchers may have trouble reaching you.
- If your contact information changes, please give the study team a call at **[TOLL FREE NUMBER]**.

YOUR PRIVACY WILL BE PROTECTED

- **Your name will never be publicly reported.**
- No information will be reported in any way that could be used to identify you.
- We will protect your answers and privacy to the fullest extent under the law. To help us protect your privacy, we have a Certificate of Confidentiality from the National Institutes of Health.

You can learn more about the study and Mathematica by visiting Mathematica's website at **[LINK TO STUDY PAGE]**.
