Next Generation of Enhanced Employment Strategies Project Staff characteristics survey

Introduction & Consent

Mathematica is conducting the Next Generation of Enhanced Employment Strategies (NextGen) Project for the Office of Planning, Research, and Evaluation within the U.S. Department of Health and Human Services [FOR SITES FUNDED BY SSA: , in partnership with the Social Security Administration]. The study will help the government learn more about how employment programs serving people facing complex challenges can help them secure a pathway toward economic independence.

[INTERVENTION NAME] is participating in this study. As part of the study, we are asking you and other [INTERVENTION NAME]'s staff to complete a brief survey to help us understand your background and work experiences. This information is a key component of the data we are collecting to help us understand the structure and implementation of [INTERVENTION NAME]. Your participation in this survey is voluntary. You may choose not to respond at all or to skip any questions. We will keep all of your individual responses completely private and use them only for research purposes. We will not share them with anyone outside our research team. We will not share them with your supervisors or any other program staff. We will combine survey responses for reporting purposes, and we will never report names or identify any responses with a particular person.

The time to complete this survey will vary by person, but is expected to be no more than 25 minutes on average. You do not have to complete the survey in one sitting. You can start it and then return to finish it at another time. For each question, please provide the best response you can.

If you have any questions about the survey, please contact [NAME] at Mathematica by calling [PHONE NUMBER] or emailing [EMAIL ADDRESS].

Thank you in advance for taking part in this survey and providing important information to the study.

Public Burden Statement

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is xxxx-xxxx. The time required to complete this information collection is estimated to average 25 minutes including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to XXX. OMB expiration date xx/xx/xxxx.
