Application Submission Overview

The Application Submission process involves completing and submitting web-based forms as well as attachments required by the SCAAP solicitation.

Applicants have two application submission deadlines:

Application Submission Overview (cont.)

Data transferred to JustGrants from the SF-424 form can be edited in JustGrants during part two of the Department of Justice's (DOJ) application process. There are two exceptions to the edits:

- **Entity identifiers:** Can only be changed directly in SAM.gov.
- **Contact information:** The two contacts (Authorized Representative [AR] and AS) listed in the SF-424 on Grants.gov are imported into JustGrants.

Any information related to these two contacts needing to be revised must be made by the Entity Administrator (EA) in the DIAMD secure user management system.

Printing

Printing the application before it is submitted is recommended. Note that the AS (discussed on the following page) can print the application at any time.

For more information about printing an application, refer to the [Printing an Application in JustGrants](#) Quick Reference Guide (QRG) located on the JusticeGrants.usdoj.gov resources website.

SCAAP Overview

The Office of Justice Programs (OJP) Bureau of Justice Assistance (BJA) administers the **State Criminal Alien**

Assistance Program (SCAAP). OJP makes payments to states and units of local government that incur certain types of costs due to the incarceration of undocumented criminal aliens during a specific twelve (12)-month reporting period.

Important: Unit of local government means a political subdivision of a state with authority to independently establish a budget and impose taxes (typically, a “general-purpose” political subdivision of a state). The term may include a county or municipality (e.g., city, county, town, township, village, borough, or parish).

Note: A department or agency that is part of such a unit of local government is not itself considered a unit of local government (such as a sheriff or jail), and applications listing an agency that is not the “unit of local government” will be denied.

SCAAP Overview (cont.)

Payments are made in connection with undocumented aliens who had been convicted of at least one felony or two

misdemeanors (typically for violations of state or local law) and were incarcerated under the legal authority of the applicant government for at least four (4) consecutive days.

As part of its application, each applicant government provides information about incarcerated individuals. Each applicant government must also provide information pertinent to its average incarceration costs during the reporting period.

Broadly speaking, SCAAP payments are calculated from information provided by applicant governments in online applications, information provided to OJP by the Department of Homeland Security (DHS) regarding the DHS review of data on eligible inmates, and the amount of appropriated funds available for the SCAAP application cycle. All information submitted as part of an application is subject to review by OJP.

A 'Privacy Policy' link is in the bottom left corner.

Handling Duplicate Submissions

Duplicate Submissions

Duplications

JustGrants supports the creation of multiple applications for unique projects under the solicitation (when allowed by the specific solicitation).

On this screen, JustGrants presents what it identifies as possible duplicates received from Grants.gov based solely on the entity identifier and solicitation title. The application submitter is asked to determine if these are intentional (unique projects) that should move forward for continued work/submission or unintentional (multiple system or human submissions received from Grants.gov) that should be withdrawn to prevent confusion and/or abandoned cases.

The screenshot shows the JustGrants application interface. At the top left is the JustGrants logo. The main header area displays 'Grant Package (00772033)' with a 'NEW' badge and a due date of 'April 30, 2022 3:04:00 PM EDT'. A red warning banner states 'The deadline for this application has passed' with a timer showing '1 day 17 hours from now'. The main content area is titled 'Check for Duplicate Applications' and contains the following text: 'Your Entity has submitted multiple applications under opportunity O-COPS-2022-309592-DEV. Review the potentially duplicate applications. Then select an option to either remove or continue with application TC-564-499952819566658 GRANT00772033.' Below this is a table with the following data:

Case ID	Application Number	Created on	Case Status
TC-451-1733365269149606	GRANT00772033	Apr 20, 2022	New

Below the table, there is a section titled 'Select an option for TC-564-499952819566658 GRANT00772033' with two radio buttons: 'Remove this application' and 'Continue with this application'. At the bottom of this section are 'Cancel', 'Save', and 'Submit' buttons. The right-hand sidebar shows 'Recent documents (0)' and 'Participants (5)', listing users like JohnElectronicsBusinessPoc Doe, MD Kamal, Emre Eren, and Lucia Turck-Gamble.

Duplicate Submissions (cont.)

Review All Applications

Review each application on the list to determine if it should be completed or removed. Select the **Case ID** link to review the application details.

- The option **Remove this application** resolves the duplicate application and changes the status to **Resolved Duplicate**
- The option **Continue with the application** creates a new case in JustGrants to be completed and submitted as a separate application

The screenshot displays the JUSTgrants Justice Grants System interface. A modal titled "Check for Duplicate Applications" is open, indicating that the deadline for the application has passed. The modal contains a table with one application entry and two radio button options for handling the duplicate.

Steps 6 – 7

Confirm
Authorized
Representative

- 6) Review the **Confirm Authorized Representative** page in the **Standard Applicant Information** section. Applications for funding for SCAAP require and display one AR.
- 7) Select an **Authorized Representative** from the dropdown box.

NOTE: The message at the top of the page reads: “Every application must have an AR. An AR must have the legal authority to enter into contracts, grants, and cooperative agreements with the federal government on behalf of the Entity.”

NOTE: Green checkmarks do **NOT** indicate a completed section, only that it has been opened. The user will be prompted to complete all required information before submitting an application.

The screenshot displays the JUSTgrants application interface. At the top left is the JUSTgrants logo (Justice Grants System). The main header shows 'Grant Package (00749076)' with a 'PENDING-DRAFT' status and a due date of 'March 15, 2023 9:51:00 AM EDT'. A navigation sidebar on the left includes links for Home, Entity Profile, Entity Users, Entity Documents, Applications, Monitoring, Federal Forms, and Training Resources. Below the dropdown is a section for 'Confirmed Authorized Representative' with fields for Title, Test, Prefix Name (Mr.), First Name, Middle Name, and Last Name. The right sidebar shows 'Solicitation Instructions' with a progress list: 'Standard Applicant Information' (checked), 'Confirm Authorized Representative' (highlighted), 'Verify Legal Name and Address', 'SCAAP Applicant Information', 'Disclosure And Assurances', and 'Certify and Submit'. Below that is a 'Participants (4)' section listing 'JohnElectronicBusinessPoc Doe Entity Administrator' and 'justgrants024.authorizedrep jgitsext AuthorizedRepresentative'. At the bottom are 'Back', 'Save', and 'Continue' buttons.

SCAAP Application Editing

Steps 8 – 9

Confirm
Authorized
Representative

- 8) Select **Confirm**. To close the window without confirming the AR, select **Cancel**.
- 9) Select **Continue** to open the **SCAAP Applicant Information** section.

NOTE: ARs must have the legal authority to enter into contracts, grants, and cooperative agreements with the federal government on behalf of the entity. The Entity Administrator (EA) confirms the individual being selected has the authority to do so. If the person selected has delegated authority, it is the responsibility of the person listed to maintain documentation that they possessed delegated authority on the date of the application submission.

The screenshot displays the JUSTgrants application editing interface. The main content area is titled "Confirm Authorized Representative" and includes a text box for selecting an authorized representative, currently showing "justgrants024.multipleroles.jgitstext". A modal dialog box is open in the center, titled "Confirm Authorized Representative", with a close button (X) in the top right corner. A green circle highlights the number "8" in the dialog, and a green rectangle highlights the "Confirm" button. The background interface shows a navigation menu on the left, a progress bar at the top, and a table of application information at the bottom.

SCAAP Award Acceptance

SCAAP Award Acceptance

Step 1

Select Award

1) Select the award from **My Worklist**.

NOTE: The **Authorized Representative** has the authority to accept or decline the award on behalf of the Entity. Award Acceptance binds the organization to the award conditions contained in the Award Package. The AR has legal authority to enter into contracts, grants, and cooperative agreements with the federal government on behalf of the entity that binds the organization to the award conditions. If the AR does not see an application in their worklist, it is not assigned to them.

NOTE: There are no post-award reporting requirements for a SCAAP award.

NOTE: There is no closeout requirement for SCAAP. Once the funds are drawn down in Automated Standard Application for Payments (ASAP), the award will be closed.

SCAAP Award Closeout

SCAAP Award Closeout Overview

The SCAAP Closeout process is managed automatically in **JustGrants**.

Once the award has been accepted and all funds have been drawn down, leaving the ASAP account at zero dollars, JustGrants automatically moves the award into **Pending-SCAAP Closeout** status.

If a SCAAP drawdown fails, the award status will change to **Pending-SCAAP Payment fail**.

In the rare instances that a SCAAP award has not drawn down all the funding and it is one day after the project period end date, the closeout will appear in the **Grant Award Administrator** worklist. Once the grantee draws down all the funding, the award will move to the automated closeout process from the **Grant Award Administrator** worklist.

After 31 days, the award is fully closed.

NOTE: JustGrants runs a daily automatic process to check for SCAAP awards that satisfy the conditions above. All SCAAP awards that satisfy these conditions are moved to **Pending-SCAAP Closeout** status for a waiting period of 30 days. If the award still satisfies these conditions after the 30-day waiting period, the award is moved to **UFMS Closeout**.

Available Funding Balance

Verify Closeout

To verify that a SCAAP award is ready to be closed out, open the **Funding Balance and Availability** section of the funded award. JustGrants will automatically close out a SCAAP award when:

- **ASAP Account Status** is Open;
- **ASAP Account Balance** is \$0.00;
- **Total Hold Amount** is \$0.00;
- **Drawdown Total** equals the **Federal Award Amount** (in the Funded Award Header).

Justice Grants Terminology

Justice Grants Terminology (A - C)

Annual Programmatic Desk Review

The Annual Programmatic Desk Review (APDR) is conducted on all Funded Awards and consists of seven questions that grantees must answer. APDRs take place within the Funded Award in JustGrants.

Award Conditions

In the legacy system, this was referred to as “Special Conditions”.

Case ID

The Case ID is the unique identifier for every type of record in JustGrants. For example, the Case ID for an application is the Application number. For a Funded Award, the Case ID is the Award Number. Each type of record has a Case ID.

Case Status

The status is the type of record that is displayed. The status list displayed is determined by the type of case associated with it.

Category

Documents uploaded to the Entity Documents repository are categorized:

- Disclosure of Process Related to Executive Compensation;
- Budget Financial Management Questionnaire;
- Budget Indirect Cost Rate Agreement;
- File;
- Legacy Attachments;
- Proof of 501 © Status (Nonprofit Organization Only).

Justice Grants Terminology (F - G)

Financial Manager

The Financial Manager is a grantee role responsible for submitting federal financial reports (FFRs), processing financial Grant Award Modifications (GAMs), and initiating closeout.

Funded Award

A funded award is an award that has been approved for fund disbursement to a grantee and has been accepted by that grantee.

Grant Award Administrator

This is the grantee role that manages many aspects of the grant. This role allows a grantee to view and submit performance reports, initiate Grant Award Modifications (GAMs), review and respond to monitoring issues as applicable, upload documents, and view award, application, and solicitation information.

Grant Award Modification (GAM)

A request for a modification to a key element to a funded award. Most GAMs can be initiated by a grantee but must be approved by DOJ personnel. GAMs can be created to extend the project period, updated the project scope, modify programmatic costs, reduce the budget amount, modify the budget, or modify the sole source.

Justice Grants Terminology (P - S)

Program Office

Within the Office of Justice Programs (OJP), there are several Program Offices:

- Bureau of Justice Assistance (BJA);
- Bureau of Justice Statistics (BJS);
- National Institute of Justice (NIJ);
- Office of Juvenile Justice and Delinquency Prevention (OJJDP);
- Office for Victims of Crime (OVC);
- Office of Sex Offender Sentencing, Monitoring, Apprehending, Registering, and Tracking (SMART).

Role Names

Roles determine the access a user is granted in the system. Users may be granted multiple roles in JustGrants, depending on the tasks they perform.

Survey Repository

A library of questions, question pages, and question sets that make up questionnaires that are included in solicitations. The answers applicants supply in these questionnaires provides the basis for performance reporting in funded awards.

Justice Grants Terminology (U)

UEI

A Unique Entity Identifier (UEI) is a unique number assigned to all entities (public and private companies, individuals, institutions, or organizations) who register to do business with the federal government.

Urgency

The number of days until or since the due date of the case, whether it is an application, a grant package, an award, a federal financial report, a performance report, or other items in JustGrants.
