### Background

The Commission instituted these investigations effective December 30, 2021, following receipt of petitions filed with the Commission and Commerce by Ventura Coastal LLC, Ventura, California. The Commission scheduled the final phase of the investigations following notification of preliminary determinations by Commerce that imports of lemon juice from Brazil and South Africa were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling and subsequent revised schedule of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notices in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notices in the **Federal Register** of August 23, 2022 (87 FR 51701) and September 28, 2022 (87 FR 58821). The Commission conducted its hearing on December 15, 2022. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to § 735(b) of the Act (19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on February 6, 2023. The views of the Commission are contained in USITC Publication 5403 (February 2023), entitled *Lemon Juice from Brazil and South Africa: Investigation Nos. 731-TA-1578-1579 (Final)*.

By order of the Commission.

Issued: February 6, 2023.

**SUPPLEMENTARY INFORMATION:** The WRP is a recruitment and referral program that connects students with disabilities to an opportunity for employment. Through participating colleges and universities, WRP creates a database for Federal and select private-sector employers nationwide to find highly motivated college students and recent graduates with disabilities who are

eager to demonstrate their abilities in the workplace through summer or permanent jobs. Candidates represent all majors, and range from college freshmen to graduate students and law students. Information from these candidates is compiled in a searchable database that is available through this website to Federal Human Resources Specialists, Equal Employment Opportunity Specialists, and other Federal employees and hiring officials in Federal agencies.

Every year, WRP staff approach more than 300 colleges and universities to participate in the WRP recruitment process for the year. WRP School Coordinators at these schools conduct outreach to their eligible students and encourage them to apply to participate in the WRP. School Coordinators must be college staff and are usually from the career or disability services office. Candidates that are approved by the School Coordinators and completed the application by the deadline are given the opportunity to have an elective informational interview with a trained volunteer WRP Recruiter from a Federal agency.

To be eligible to register, candidates must be current, full-time, degree-seeking undergraduate or graduate students with a disability, or have graduated within two and a half years of the release of the database each December. Candidates must be U.S. citizens, must be attending or have graduated from a U.S. accredited college or university, and be eligible under the Schedule A Hiring Authority for persons with disabilities. Candidates must also be approved by a WRP School Coordinator to apply to WRP and participate in an interview.

Candidates are not interviewing for specific positions at specific agencies. They have the opportunity to have an elective informational interview with a Federal recruiter to learn about Federal service and discuss their career path. Candidates are not placed into jobs; they are simply applying to be part of a database of postsecondary students and recent graduates with disabilities that is made available to Federal employers directly and to the private sector through a contractor. Employers will then reach out to candidates directly if they are interested in interviewing or hiring them for a specific position. Candidates should be aware that WRP is not a guarantee of employment and not everyone who participates in WRP is contacted by employers.

This information collection is subject to the Paperwork Reduction Act (PRA). A Federal agency generally cannot conduct or sponsor a collection of

**I. Background**

ACCSH advises the Secretary of Labor and the Assistant Secretary of Labor for Occupational Safety and Health (Assistant Secretary) in the formulation of standards affecting the construction industry, and on policy matters arising in the administration of the safety and health provisions under the Contract Work Hours and Safety Standards Act (Construction Safety Act (CSA)) (40 U.S.C. 3701 *et seq.*) and the Occupational Safety and Health Act of 1970 (OSH Act) (29 U.S.C. 651 *et seq.*) (see also 29 CFR 1911.10 and 1912.3).
